**The Iustification of a Sinner: Being the Maine Argument of the Epistle to the Galatians. By a Reverend and Learned Divine. [A Translation by Thomas Lushington of Johannes Crellius's Commentary on the Epistle to the Galatians. With the Text.]** Johann Crell, Thomas Lushington, 1650    **An Exposition of the Epistle of Saint Paul to the Colossians,** Edward Elton, 1620    *An Exposition of the Epistle of Saint Paul to the Colossians, Deliuered in Sundry Sermons, Preached by Edward Elton ... The Second Edition, Reuised and Corrected, Etc. [With the Text.]*, 1620    **The Complete Works of Thomas Manton, D.D.** Thomas Manton, 1870    Addiction and Devotion in Early Modern England

Rebecca Lemon, 2018-02-02 Rebecca Lemon illuminates a previously buried conception of addiction as a form of devotion at once laudable difficult and extraordinary that has been concealed by the persistent modern link of addiction to pathology Surveying sixteenth century invocations she reveals how early moderns might consider themselves addicted to study friendship love or God However she also uncovers their understanding of addiction as a form of compulsion that resonates with modern scientific definitions Specifically early modern medical tracts legal rulings and religious polemic stressed the dangers of addiction to alcohol in terms of disease compulsion and enslavement Yet the relationship between these two understandings of addiction was not simply oppositional for what unites these discourses is a shared emphasis on addiction as the overthrow of the will Etymologically addiction is a verbal contract or a pledge and even as sixteenth century audiences actively embraced addiction to God and love writers warned against commitment to improper forms of addiction and the term became increasingly associated with disease and tyranny Examining canonical texts including Doctor Faustus Twelfth Night Henry IV and Othello alongside theological medical imaginative and legal writings Lemon traces the variety of early modern addictive attachments Although contemporary notions of addiction seem to bear little resemblance to its initial meanings Lemon argues that the early modern period's understanding of addiction is relevant to our modern conceptions of and debates about the phenomenon    **Masculinity and the Metropolis of Vice, 1550-1650** A. Bailey, R.

Hentschell, 2010-03-29 Leading authors in the field of early modern studies explore a range of bad behaviours like binge drinking dicing and procuring prostitutes at barbershops in order to challenge the notion that early modern London was a corrupt city that ruined innocent young men    **The Diary of Edmund Harrold, Wigmaker of Manchester 1712-15**

Craig Horner, 2017-05-15 The survival of Edmund Harrold's diary for the years 1712-1715 is a remarkable piece of luck for historians Not only are such diaries for the middling sort rare for this period but few provide so candid an insight into the everyday concerns and troubles of early eighteenth century life Providing a full transcription of the diary with a substantial introduction and scholarly references this edition the first since a partial transcription in the nineteenth century offers a unique insight into both a troubled individual and the society in which he lived and worked Born in 1678 Edmund Harrold seems to have worked his whole life in Manchester as a barber and wigmaker with a sideline in book dealing The period

covered by his diary although short is rich in its insights into his life and thoughts It lays open his struggles with alcohol his attitudes to and frequency of marital sex his reactions to the death of his three wives and 5 children and his religious meditations upon these and other subjects The diary also relates the ups and downs of his business together with the day to day realities of a provincial barber from cutting hair to wig making to unblocking the nipples of wet nurses the only medical service he records performing What emerges from the these pages is a fascinating snapshot into the social professional and private life of an impoverished inhabitant of Manchester during a period of profound social and economic change It is impossible to read the diary without developing some sense of empathy with this troubled man but more than this it puts flesh onto the bones of history reminding us that the people we read about and study were all individuals
