Augustus John Williams:

Augustus John Williams, 1972 Winner of the 1973 National Book Award *Augustus* tells the story through fictional letters memoranda and dispatches of Octavian the shy scholarly youth who became Caesar Augustus **Augustus** John Williams, 1995 Now in its fourth edition *John Williams Augustus* winner of the 1973 National Book Award tells the story of Octavian a shy and scholarly youth of nineteen who on the death of his great uncle Julius Caesar suddenly finds himself heir to the vast power of the Roman Empire He is destined to rule that world astonishingly well given the odds and intrigues against him and would later be known as Augustus Caesar 63 B C 14 A D the first Roman emperor Through the use of fictional letters memoranda and dispatches we see how Augustus established his essential base of power and how he was continually obliged to put down by a subtle combination of force and guile the challenges of such men as Cicero Brutus Cassius and finally Mark Antony *John Williams: Collected Novels (LOA #349)* John Williams, 2021-10-19 For the first time a collected edition of the major works of John Williams including the acclaimed novel *Butcher's Crossing* now a major motion picture starring Nicholas Cage John Williams's three major works have come to be recognized as modern American classics and are collected in this Library of America volume for the first time In *Butcher's Crossing* he unsettles the conventions of the Western novel to tell the haunting story of a buffalo hunting expedition that exposes the savagery and greed behind the myth of the frontier In *Stoner* he portrays power politics in academe and the quiet heroism of a midwestern English professor dedicated to the honest and dogged pursuit of his craft In *Augustus* set in ancient Rome Williams again takes on the subject of power more particularly in the author's own words the ambivalence between the public necessity and the private want or need Rounding out the volume are three essays by Williams on writing fiction and his speech upon accepting the National Book Award for *Augustus* in 1973 **Nothing But the Night** John Williams, 1990-01-01 First published in 1948 *Nothing but the Night* marked the auspicious beginning of John Williams' career as a novelist a career that would go on to include the classics *Stoner* and the National Book Award winning *Augustus* In the person of Arthur Maxley Williams investigates the terror and the waywardness of a man who has suffered an early traumatic experience As a child Maxley witnessed a scene of such violence and of such a nature that the evocation of Greek tragedy is inescapable now years later we move through a single significant day in the grown Arthur Maxley's life the day when he is to meet his father who has been absent for many years With rare economy and clarity the story moves at an ever increasing pace to its unforgettable end *Butcher's Crossing* John Williams, 1988-01-01 [Reading the Novels of John Williams](#) Mark Asquith, 2017-12-06 John Williams as the *New Yorker* noted recently was author of the greatest American novel you've never heard of He died in obscurity but has enjoyed a literary renaissance due to the worldwide critical acclaim greeting recent reissues of his major novel *Butcher's Crossing* *Augustus* and particularly *Stoner* With films of both *Butcher's Crossing* and *Stoner* already in pre production it is clear that Williams' star is in the ascendant This book is designed to offer a critical introduction to his writing It is developed

through solid scholarly research but is structured and written in a clear and direct style that makes it accessible for academics students and general readers alike It offers a clear sense of the novelist s early life and work which includes an evaluation of his academic life he was a professor at the University of Denver and neglected poetry The bulk of the book is given over to readings of the three major novels they offer an appreciation of Williams literary craft combined with an assessment of literary and cultural influences and an overview of contemporary critical reactions Few authors have written such disparate works in terms of subject matter genre and style however they are all united in their effort to grapple with deeper existential questions For whether his characters are riding the Western plains speaking in the Roman Forum or reading in a dusty library they all demonstrate Williams preoccupation with the ways in which youthful hopes and a strong sense of who we are shaped by life s accidents How we make the life meaningful learn to love another human being confront failure these are the well points of Williams understated tragedies Unfortunately such meditations are rarely fashionable but neither are they ever unfashionable George Orwell observed that the only true critic is time this study makes clear that Williams time has come *James Lawrence, Captain, United States Navy* Albert Gleaves,1904 **Augustus** John Williams,1974 **Revised Charter of the City of Utica** Utica (N.Y.),1870 *Being Alone in Antiquity* Rafał Matuszewski,2021-11-22 This volume aims to provide an interdisciplinary examination of various facets of being alone in Greco Roman antiquity Its focus is on solitude social isolation and misanthropy and the differing perceptions and experiences of and varying meanings and connotations attributed to them in the ancient world Individual chapters examine a range of ancient contexts in which problems of solitude loneliness isolation and seclusion arose and were discussed and in doing so shed light on some of humankind s fundamental needs fears and values **General Catalogue of the Divinity School of Harvard University** Harvard Divinity School,1920 Catalogue of the Library of the Boston Athenæum Boston Athenæum,1882 **Vital Records of Lynn, Massachusetts, to the End of the Year 1849: Births** Lynn (Mass.),1905 **Augustus** John Edward Williams,1979-01 Winner of the 1973 National Book Award Augustus tells the story through fictional letters memoranda and dispatches of Octavian the shy scholarly youth who became Caesar Augustus **Calendar of Deeds and Documents ...** National Library of Wales,1927 Debrett's Illustrated Peerage and Baronetage, Titles of Courtesy and the Knighthood ,1925 Includes an unpagged appendix royal warrant holders and 19 a war honours supplement *Science and Art of Mining* ,1923 Catalogue of the Library of the Boston Athenaeum ,1874 **American State Papers** United States.
