The set includes step by step instructions, hands on exercises, interactive quizzes with immediate feedback, certification and access to personal online mentors **How to Think Like Aquinas** Kevin Vost, 2018-09-20 About St Thomas Aquinas Pope John XXII said A man can derive more profit in a year from his books than from pondering all his life the teaching of others. And Pope Pius XI added We now say to all who are desirous of the truth Go to St Thomas. But when we do go to Thomas when we open his massive *Summa Theologica* or another of his works we're quickly overwhelmed even lost. If we find him hard to read how can we even begin to think like Aquinas? Now comes Kevin Vost the best selling author of *The One Minute Aquinas* armed with a recently rediscovered letter St Thomas himself wrote a brief letter to a young novice monk giving practical sage advice about how to study how to think and even how to live. In this letter written almost 800 years ago St Thomas reveals his unique powers of intellect and will and explains how anyone can fathom and explain even the loftiest truths. Vost and St Thomas will teach you how to dissect logical fallacies, heresies and half truths that continue to pollute our world with muddy thinking. Best of all you'll find a fully illustrated set of exercises to improve your intellectual powers of memory, understanding, logical reasoning, shrewdness, foresight, circumspection and practical wisdom. You'll also learn The four steps to training your memory, How to know your mental powers and their limits, Why critical thinking alone is insufficient for reaching the truth, Twenty common fallacies and how to spot them, The key to effectively reading any book, How to set your intellect free by avoiding worldly entanglements, How to commit key truths to memory. Pius XI called St Thomas Aquinas the model for those who want to pursue their studies to the best advantage and with the greatest profit to themselves. Leo XIII urged us all to follow the example of St Thomas. Over the centuries dozens of other popes have praised him. Surely it is time to listen to these good men time to go to Thomas to learn to think like him and yes even to live like him **Works 2**
