The publication contains course outlines, unit plans, teaching instructions, and answers to the student activities and sample tests. *Advanced Placement Economics - Macroeconomics* Margaret A. Ray, 2012
Advanced Placement Macroeconomics is the go-to guide for helping high school teachers to prepare their students for the AP Macroeconomics Exam administered by the College Board. The Teacher Resource Manual provides unit overviews, lesson plan objectives, Teacher Alerts, Bell Ringer activities to jump start each class, visuals, and answers to the student activities. The lessons include instructional activities that are not in the Student Resource Manual. By dividing the Macroeconomics and Microeconomics Teacher Resource Manuals in two and compartmentalizing various elements such as student activities, solutions, and sample multiple choice question answer keys, the materials provide a more intuitive structure and easier navigation of content. **Advanced Placement Economics - Microeconomics** Gary L. Stone, 2012
