the past about creation is the way that existence isn't a paradox. Awaken and realize that all of mankind will create their body for Ascension whether they accomplish this now or later and that this is not the exclusive domain of Christ or Buddha or many others who have ascended. This is your birthright. You are not relegated to worshipping those who have already done this very basic initiation called Ascension. Christ and Buddha would be the first to acknowledge that they are just beginners on their eternal journey. When mankind lifts the veils of their unworthiness and recognizes that they are the Sons of God that there is divine equality and no one is greater than another then you will have begun our journey in the way that it was intended. In your near future your Planetary Hierarchy will release the world from theology, ecclesiasticism and the wrathful Jehovah and return humanity to its rightful journey into spiritualizing matter not worshipping it. The Mahatma is for those who are motivated to search for the answers that can respond to their mental and spiritual bodies. In the past mankind's choices of beliefs and religions have supported only the emotional body and the darker material side of life. And truly if one is going to remain on Earth very drastic shifts of consciousness will be required to have mankind remain in Earth's new fourth dimensional reality. No matter how contrary to your current beliefs this book contains methods for creating your spiritual Lightbody for Ascension and it also explains your eternal journey in a way that was never before available to mankind.

**Shining the Light I** Robert Shapiro, Tom Dongo, 1994-01-01 The most significant events in Earth's history are happening in secret. Despite official denial and tactics of derision inquiring minds are demanding the truth. This truth is stranger than all the fictions about ETs, alien bases and the secret government. This courageous book shines the light to expose truths that will change forever how we view our lives on this planet. It asks the reader to join in the investigations, ask the questions and think the unthinkable. Explore the truth about the controllers of Earth and their alien allies. Discover the updated news about what is happening on the third dimension and what it really means from the higher dimensions perspective. The revelations are shocking and enlightening. A crashed UFO leads to information on The secret government's time travel spacecraft. Renegade ETs mining on the Moon. The U.S. peace avatar president. Ancient Pleiadian warships. The prime directive now. Underground alien bases and populations. And many more startling facts. The battle in the heavens has begun. Become aware of the truth and don't get lost in the drama. Be the light that you are and you will be forever free. *Revelations of a Melchizedek Initiate* Joshua David Stone, 1998-10-01 This book traces the author's journey of ascension through the seven levels of initiation through the process of anchoring and activating his fifty chakras expanding to a 99 percent light quotient then on to anchoring and fully activating all twelve bodies which include the five higher bodies. Exactly how this is done is shared and in depth information is given on the workings of the inner plane ashram under the guidance of Djwhal Khul, Lord Maitreya and Lord Melchizedek. You are invited to journey with him as he unfolds the process of his initiations beginning at the sixth moving through the equivalent of the tenth initiation and into the beginning of the eleventh. Written as a personal log this book shares in an open and candid manner dreams, meditations, conversations with the masters, spiritual background.

thoughts and reflections and actual ascension experiences      *How to Teach Ascension Classes* Joshua David Stone,1998-10-01 This book serves as an ideal foundation for teaching ascension classes and doing workshops The inner plane ascended masters have guided Dr Stone to put together this book using his Easy to Read Encyclopedia of the Spiritual Path as its foundation Here you will find an entire one to two year program of classes for teaching from one to hundreds of student initiates Teaching or setting up a class in your home to facilitate ascension realization is one of the most important services one could offer one s friends students and even family With this book it is easy Details on how to start and end every class are given as well as outlines for 132 classes Also included are suggestions on how to observe the major holy days that the inner plane ascended masters would like us to celebrate on Earth Using his teaching experience Dr Stone has also outlined all the logistical and third dimensional considerations that will come up The only tools a class leader needs would be his books and meditation tapes      *Manual of Sacred History* Johann Heinrich Kurtz,1907      **Manual of Instructions for the Survey of Dominion Lands, ...** ,1917      *Manual of the Four Gospels* Thomas Henry Stokoe,1901      Manual of Instructions for the Survey of Dominion Lands Canada.
