Armageddon Max Hastings, 2005-10-18 This is epic story of the last eight months of World War II in Europe by one of Britain s most highly regarded military historians whose accounts of past battles John Keegan has described as worthy to stand with that of the best journalists and writers New York Times Book Review In September 1944 the Allies believed that Hitler s army was beaten and expected that the war would be over by Christmas But the disastrous Allied airborne landing in Holland American setbacks on the German border and in the H rtgen Forest together with the bitter Battle of the Bulge drastically altered that timetable Hastings tells the story of both the Eastern and Western Fronts and paints a vivid portrait of the Red Army s onslaught on Hitler s empire He has searched the archives of the major combatants and interviewed 170 survivors to give us an unprecedented understanding of how the great battles were fought and of their human impact on American British German and Russian soldiers and civilians Hastings raises provocative questions Were the Western Allied cause and campaign compromised by a desire to get the Soviets to do most of the fighting Why were the Russians and Germans more

effective soldiers than the Americans and British Why did the bombing of Germany's cities continue until the last weeks of the war when it could no longer influence the outcome Why did the Germans prove more fanatical foes than the Japanese fighting to the bitter end This book also contains vivid portraits of Stalin Churchill Eisenhower Montgomery and the other giants of the struggle The crucial final months of the twentieth century's greatest global conflict come alive in this rousing and revelatory chronicle     Flight & the Aircraft Engineer ,1917     Aerial Age Weekly ,1921     **Flight** ,1917     *A Record of the Expeditions Undertaken Against the North-west Frontier Tribes* William Henry Paget,1874     The Force of Law Hugh Smith,1994     **The Journal of the American Osteopathic Association** ,1952     **Host Bibliographic Record for Boundwith Item Barcode 30112107850775 and Others** ,1916     **Aeronautics** ,1918     **Brassey's Naval Annual** Earl Thomas Allnutt Brassey,1954     *The People's History of America* ,1875     **Africa** John George Wood,1878     The Uncivilized Races of Men in All Countries of the World John George Wood,1879     *Uncivilized Races of Men in All Countries of the World* John George Wood,1870
