Advanced Tarot Secrets Aphrodites Book Of Secrets:

Advanced Tarot Secrets Dusty White, 2013-08-06 Here's how to get 3 to 5 times more information from each spread you cast right now. Ask better questions, do all of your pre-spread work and verify the accuracy of your spread before you start making any predictions. Advanced Tarot Secrets illustrates step by step how to do all of this. You are about to learn how to spot patterns in spreads, find spreads hiding in the spreads you already use and how cards interact with each other. This book reveals the advanced spread techniques and trade secrets used every day by the top psychics in the world. It is a how-to-do-it handbook for the professional who charges 100 to 1,000 an hour to wealthy clients who expect results. These skills are essential if you are going to read for celebrity or corporate or government clients. Improve your accuracy and strengthen your intuition by practicing the 11 new exercises and playing the 6 new games detailed in this book. You will learn how to find lost items and missing people with the Tarot. Manifest practically anything you desire out of thin air using your cards. Read the distant past and future great for solving mysteries and crimes. Solve problems and brainstorm with the Tarot. Overcome writer's block and master storytelling in the section specifically for authors. The Tarot is not a parlor game. In the hands of a master, it is a research tool used to read the future and rewrite the events to be. This book is the official textbook for the House of White mystery school and it will take your readings to a level of mastery that puts you head and shoulders above most Tarot readers you will ever meet. There is no guesswork involved with the Tarot or this book. There are time-tested techniques that work and it is time that you learn and use them. Advanced Tarot Secrets picks up from where *The Easiest Way to Learn the Tarot* ever left off. You build on the knowledge you already have to deepen your bond with your cards and make them reveal layers of information from the same exact spreads you are using right now. We start you off by learning and doing new exercises all designed to strengthen your intuition. These simulate the exact methods you use in real-life readings and make you infinitely more comfortable reading for other people. Next, we introduce you to 6 new games that teach you how to see the various layers of meaning each card offers and how cards interact in a spread. These games help you understand how the Tarot reflects the intricacies of daily life. In a simple ten-card spread, you can see more details than three other people reading the same spread. Next come advanced spread basics and advanced spread techniques. Here you apply everything you learn in the exercises and games. Quick and easy ways to clear your deck between clients, useful at parties or working psychic fairs and hotlines. Why every spread needs a protagonist. How to instantly verify the accuracy of your spread. No more bad readings ever. How to modify your favorite spread to meet your needs for each reading. Hidden spreads, spread patterns and themes. The four passes through a spread every reading should have. When to use clarification or expansion cards. How to read cards face down and why. How to give accurate no-spread readings. And several other advanced techniques. Once you understand all of these things, you can dowse with the Tarot, work on archaeological expeditions, work for treasure hunters, work with stock analysts to predict economic trends, remote view, we don't call it spying, solve any problem.
