Halderman, 2019-01-25 This text is designed to be a supplement to all courses in Automotive Technology. This text is part of the Pearson Automotive Series Preparing today's automotive students for career success. Market leading ASE Test Prep and Study Guide has been fully updated and expanded to address the latest technology and automotive systems. Written to current ASE tasks and standards the guide covers ASE areas A1 A9 G1 and L1 with hundreds of test questions that use similar wording to the actual ASE certification tests. The new third edition includes a list of the tasks that ASE states will be covered in the certification tests as well as the time allocated for each test. The study guide also includes a complete explanation for why the right answer is correct as well as why the wrong answers are not correct. The 3rd edition reflects changes to the ASE certification tests since the last revision. It includes many new questions some with electrical schematics as well as new test prep features
