The SAGE Guide to Educational Leadership and Management Fenwick W. English, 2015-01-29 The SAGE Guide to Educational Leadership and Management allows readers to gain knowledge of educational management in practice while providing insights into challenges facing educational leaders and the strategies skills and techniques needed to enhance administrative performance. This guide emphasizes the important skills that effective leaders must develop and refine including communication developing teams coaching and motivating and managing time and priorities. While being brief simply written and a highly practical overview for individuals who are new to this field this reference guide will combine practice and research indicate current issues and directions and choices that need to be made. Features Benefits 30 brief signed chapters are organized in 10 thematic parts in one volume available in a choice of electronic or print formats designed to enable quick access to basic information. Selective boxes enrich and support the narrative chapters with case examples of effective leadership in action. Chapters conclude with bibliographic endnotes and references to further readings to guide students to more in depth presentations in other published sources. Back matter includes an annotated listing of organizations associations and journals focused on educational leadership and administration and a detailed index. This reference guide will serve as a vital source of knowledge to any students pursuing an education degree as well as for individuals interested in the subject matter that do not have a strong foundation of the topic.

Jsl Vol 19-N3 JOURNAL OF SCHOOL LEADERSHIP, 2010-04-16

The Journal of School Leadership is broadening the conversation about schools and leadership and is currently accepting manuscripts. We welcome manuscripts based on cutting edge research from a wide variety of theoretical perspectives and methodological orientations. The editorial team is particularly interested in working with international authors, authors from traditionally marginalized populations and in work that is relevant to practitioners around the world. Growing numbers of educators and professors look to the six bimonthly issues to deal with problems directly related to contemporary school leadership practice, teach courses on school leadership and policy use as a quality reference in writing articles about school leadership and improvement.
