A Portrait of the Auteur as Fanboy Anastasia Salter, Mel Stanfill, 2020-10-16 Increasingly over the past decade fan credentials on the part of writers directors and producers have come to be seen as a guarantee of quality media making the fanboy auteur Figures like Joss Whedon are both one of us and one of them This is a strategy of marketing and branding it is a claim from the auteur himself or industry PR machines that the presence of an auteur who is also a fan means the product is worth consuming Such claims that fan credentials guarantee quality are often contested with fans and critics alike rejecting various auteur figures as the true leader of their respective franchises That split between assertions of fan and auteur status and acceptance or not of that status is key to unravelling the fan auteur In A Portrait of the Auteur as Fanboy The Construction of Authorship in Transmedia Franchises authors Anastasia Salter and Mel Stanfill examine this phenomenon through a series of case studies featuring fanboys The volume discusses both popular fanboys such as J J Abrams Kevin Smith and Joss Whedon as well as fangirls like J K Rowling E L James and Patty Jenkins and dissects how the fanboy fangirl auteur dichotomy is constructed and defended by popular media and fans in online spaces and how this discourse has played in maintaining the exclusionary status quo of geek culture This book is particularly timely given current discourse including such incidents as the controversy surrounding Joss Whedon s so called feminism the publication of Harry Potter and the Cursed Child and contestation over

Fifty Shades from Christian's Point of View: Includes Grey, Darker and Freed E L James, 2021-06-01 In Christian's own words and through his thoughts, reflections, and dreams, E L James offers a fresh perspective on the love story that has enthralled millions of readers around the world. All three books in the phenomenally bestselling Fifty Shades trilogy: *Grey*, *Christian Grey*, and *Fifty Shades of Grey* exercise control in all things; his world is neat, disciplined, and utterly empty until the day that Anastasia Steele falls into his office in a tangle of shapely limbs and tumbling brown hair. He tries to forget her but instead is swept up in a storm of emotion he cannot comprehend and cannot resist. Unlike any woman he has known before, shy, unworldly Ana seems to see right through him, past the business prodigy and the penthouse lifestyle to Christian's cold, wounded heart. Will being with Ana dispel the horrors of his childhood that haunt Christian every night? Or will his dark sexual desires, his compulsion to control, and the self-loathing that fills his soul drive this girl away and destroy the fragile hope she offers him?

Darker: Their scorching sensual affair ended in heartbreak and recrimination, but Christian Grey cannot get Anastasia Steele out of his mind or his blood. Determined to win her back, he tries to suppress his darkest desires and his need for complete control and to love Ana on her own terms. But the horrors of his childhood still haunt him, and Ana's scheming boss Jack Hyde clearly wants her for himself. Can Christian's confidant and therapist Dr. Flynn help him face down his demons? Or will the possessiveness of Elena, his seducer, and the deranged devotion of Leila, his former submissive, drag Christian down into the past? And if Christian does win Ana back, can a man so dark and damaged ever hope to keep her?

Freed: You are cordially invited to the wedding of the decade when Christian Grey will make Anastasia Steele his wife. But is he really her husband? His dad is unsure, his brother wants to organise one helluva bachelor party, and his fiancée won't vow to obey. And marriage brings its own challenges. Their passion for each other burns hotter and deeper than ever, but Ana's defiant spirit continues to stir Christian's darkest fears and tests his need for control. As old rivalries and resentments endanger them both, one misjudgement threatens to tear them apart. Can Christian overcome the nightmares of his childhood and the torments of his youth and save himself? And once he's discovered the truth of his origins, can he find forgiveness and accept Ana's unconditional love? Can Christian finally be freed?
