

# Germany Since 1918

**Frederick Lewis Schuman**

## Germany Since 1918:

**Germany Since 1918** David Childs, 1971      **A History of Germany 1918 - 2014** Mary Fulbrook, 2014-12-31 The fourth edition of *A History of Germany 1918 2014* introduces students to the key themes of 20th century German history tracing the dramatic social cultural and political tensions in Germany since 1918 Now thoroughly updated the text includes new coverage of the Euro crisis and a review of Angela Merkel's Chancellorship New edition of a well known classic survey by a leading scholar in the field thoroughly updated for a new generation of readers Provides an overview of the turbulent history of Germany from the end of the First World War through the Third Reich and beyond examining the character and consequences of war and genocide Treats German history from 1918 to 2014 from the perspectives of instability division and reunification covering East and West German history in equal depth Offers important reflections on Angela Merkel's Chancellorship as it extends into a new term Concise substantive coverage of this period make it an ideal resource for undergraduate students      *A History of Germany 1918 - 2008* Mary Fulbrook, 2011-08-10 The third edition of *A History of Germany* traces the dramatic social cultural and political tensions in Germany since 1918 Offers a persuasive interpretation of the dynamics of twentieth century German history Treats German history from 1918 2008 from the perspective of division and reunification covering East and West German history in equal depth Covers the self destructive Weimar Republic the extremes of genocide and military aggression in the Nazi era the division of the nation in the Cold War and the collapse of communist East Germany and unification in 1990 New edition includes updates throughout especially covering the Nazi period and the Holocaust a new chapter on Germany since the 1990s and a substantially revised and updated bibliography      *The Heroic Earth* David Thomas Murphy, 1997 In *The Heroic Earth* David T Murphy argues that geopolitical ideas were most dynamic and significant in Germany not during the Nazi era 1933 45 but in the democratic culture of the Weimar republic 1919 33 By helping to condition the German population to geopolitical ideas which emphasized revision of the Versailles settlement and enlarging Germany's living space geopolitics helped contribute to Nazi imperialism From the defeat of Germany in 1918 until the rise of National Socialism in 1933 theories of geographical determinism enjoyed a broad currency in many fields of German public life The ancient notion that environmental factors climate topography resource distribution shape society in significant ways was now applied in a radically determinist fashion to help Germans understand why they had lost the war and what they had to do to regain their place among the Great Powers Under the rubric of Geopolitik politicians teachers writers and others argued that the key to Germany's past and the hope for its future lay in understanding geography's determining impact upon races cultures states and warfare Theories of geographical determinism shaped German thinking about politics race science education aesthetics and many other subjects on the eve of the Nazi era Challenging traditional historiography Murphy argues that geopolitics faded in importance after Adolf Hitler came to power      **History of Germany 1918 - 2000** Mary Fulbrook, 2002-04-08 This accessible study traces

the dramatic social cultural and political tensions in Germany since 1918 For the second edition revisions have been made to incorporate the results of recent research an epilogue covering the years 1990 2000 has been added and the suggestions for further reading and the bibliography have been updated An accessible study of the dramatic social cultural and political tensions in Germany since 1918 Treats German history from 1918 2000 from the perspective of division and reunification covering East and West German history in equal depth Covers the self destructive Weimar Republic the extremes of genocide and military aggression in the Nazi era the division of the nation in the Cold War and the collapse of communist East Germany and unification in 1990 Offers a persuasive interpretation of the dynamics of twentieth century German history as a whole New edition includes an updated bibliography and an epilogue covering the years 1990 2000 *Germany in the Twentieth Century (RLE: German Politics)* David Childs, 2014-12-17 The book traces the development of Germany from the Kaiser's Reich in the 1870s to the reunited democratic state led by Helmut Kohl in the 1990s The author begins by countering the popular view of Germany before 1914 as irredeemably reactionary and after assessing Germany's part in the First World War he outlines the rise and fall of the Weimar Republic The 12 years of Hitler's destructive experiment are presented in a balanced way as part of the overall development of the country Germany in defeat is then discussed as is her rebirth under Four Power occupation The last chapters explore the two separate German states and the events leading up to the restoration of German unity **Germany, 1919-39** John Kerr, 2003 Designed to cover the most up to date Standard Grade requirements these books should provide everything you need to prepare your students for their exams There are exam style questions and full colour presentation throughout **The Ailing Empire: Germany from Bismarck to Hitler** Sebastian Haffner, 2019-08-16 Using his skills as a journalist historian and memoirist Sebastian Haffner author of *The Meaning of Hitler* traces the development of the German Empire 1871 1945 and the central role of warfare that characterized the Reich Haffner contends that Germany's unfavorable geographic position had much to do with the state's belligerence and that from its inception created the conflicts that culminated in two world wars The fruit of decades of study the moving and sometimes very personal testament of an author whose works more than any others have influenced public opinion and challenged academic historians *Die Zeit* A brilliant work from the top hat of a powerful historical magician Rudolf Augstein *Der Spiegel* A thoroughly successful work *Wiener Tagblatt* A book with more historical insights than a whole pile of learned volumes *Münchener Abendzeitung* The history of the Third Reich in just 43 pages Impossible to do more than discuss a few features superficially But not with Sebastian Haffner This brilliant thinker a journalist turned historian reveals the fundamental lines of development in a way that anyone can follow The pages bristle with questions and unexpected answers The 300 pages of *The Ailing Empire* contain more clever and original insights into German history between 1871 and 1945 than many a weighty tome Dieter Wunderlich This illuminating survey by a German journalist focuses on the continuities and discontinuities of the modern German Reich Haffner argues that the founding of the state was never

regarded as a climactic achievement but rather as a springboard for expansion and that Germany's unfavorable geographic position had much to do with the state's armed belligerence. The author also contends that the Reich was self-destructive almost from the beginning, creating a host of enemies who brought it to its knees in two world wars and eventually divided it. He describes how Hitler accelerated the catastrophic finish of the Reich by inopportunely taking on both the Russians and Americans, then tried to turn military defeat into the annihilation of the German people with his Nero Directive of March 18, 1945.

**Publishers Weekly** *The Ailing Empire* tells the story of yesterday's Germans who made today. It is a story Americans must understand.

**San Diego Union** Sebastian Haffner has written a book that traces the path of Germany's political self-destruction and offers a realistic account of the war's real causes. It is a highly readable analysis of the road from Bismarck to Hitler. This book, based on many previously unpublished accounts, is a devastating portrait of human society.

**Chattanooga Times** This is a highly readable analysis of German history over the last century. A long-time journalist, Haffner asserts that the foundations of the German Reich were an inadequate basis for a modern nation-state and contained the seeds of its own destruction. Though lacking documentation, Haffner's first-hand recollections of the Nazi era are most interesting. Particularly noteworthy are his observations on daily life during the regime and his judgment regarding those literary and artistic antis who chose internal emigration within the Hitler state.

**Library Journal** [Germany Since 1918](#) Frederick Lewis Schuman, 1944

*The New Germany* Ernest Jackh, 1928

[History of Germany 1918 - 2000](#) Mary Fulbrook, 2002-04-08

This accessible study traces the dramatic social, cultural, and political tensions in Germany since 1918. For the second edition, revisions have been made to incorporate the results of recent research; an epilogue covering the years 1990-2000 has been added, and the suggestions for further reading and the bibliography have been updated. An accessible study of the dramatic social, cultural, and political tensions in Germany since 1918. Treats German history from 1918-2000 from the perspective of division and reunification, covering East and West German history in equal depth. Covers the self-destructive Weimar Republic, the extremes of genocide and military aggression in the Nazi era, the division of the nation in the Cold War, and the collapse of communist East Germany and unification in 1990. Offers a persuasive interpretation of the dynamics of twentieth-century German history as a whole. New edition includes an updated bibliography and an epilogue covering the years 1990-2000.

**An Outline of Recent European History, 1815-1921** Clarence Perkins, 1921

[Germany's Defeat in the First World War](#) Mark D. Karau, 2015-05-12

A noted World War I scholar examines the critical decisions and events that led to Germany's defeat, arguing that the German loss was caused by collapse at home as well as on the front. Much has been written about the causes for the outbreak of World War I and the ways in which the war was fought, but few historians have tackled the reasons why the Germans, who appeared on the surface to be winning for most of the war, ultimately lost. This book, in contrast, presents an in-depth examination of the complex interplay of factors: social, cultural, military, economic, and diplomatic, that led to Germany's defeat. The highly readable work begins with an examination of the strengths and weaknesses of the two

coalitions and points out how the balance of forces was clearly on the side of the Entente in a long and drawn out war The work then probes the German plan to win the war quickly and the resulting campaigns of August and September 1914 that culminated in the devastating defeat in the First Battle of the Marne Subsequent chapters discuss the critical factors and decisions that led to Germany's loss including the British naval blockade the role of economic factors in maintaining a consensus for war and the social impact of material deprivation

**Britain's Economic Blockade of Germany, 1914-1919** Eric W. Osborne, 2004-06-24 This text studies Great Britain's economic blockade of Germany in World War I one of the key elements to the victory of the Entente

A History of Germany 1918 - 2020 Mary Fulbrook, 2021-04-26 The new edition of the acclaimed textbook on modern German history written by a leading scholar in the field Now in its fifth edition A History of Germany 1918 2020 provides a clear and well balanced survey of German history from the creation of the Weimar Republic to the era of Angela Merkel's Chancellorship Guiding readers through the complex patterns of the nation's historical development using clear and compelling narrative this classic textbook introduces readers to the key themes of modern German history while tracing the social cultural and political tensions that have challenged German stability and unity across more than a century Fully updated for the next generation of readers A History of Germany 1918 2020 extends its framework for exploring legacies of the past into the 21st century The fifth edition includes enhanced coverage of the extremes of nationalism military aggression and genocide under Nazism as well as an expanded analysis of the Berlin Republic and the changing character of Germany in the Europe of 2020 Presenting readers with a panoramic overview of the past 100 years of German history this compelling textbook Provides a concise yet thorough account of the turbulent history of Germany from the end of the First World War to the present Examines the character and consequences of World War II and the Holocaust Explores the development of a capitalist democracy in West Germany and a communist dictatorship in East Germany during the Cold War Covers East and West German history in equal depth from the perspectives of instability division and reunification Analyses the fall of Communism and the unification of an enlarged Federal Republic in 1989 90 Traces unified Germany's development as a globally respected state playing a pivotal role in Europe today A History of Germany 1918 2020 The Divided Nation Fifth Edition remains the ideal text for undergraduate students in courses on modern German or European history as well as for general readers with interest in the subject

## **Germany Since 1918 Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Germany Since 1918 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Germany Since 1918 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Germany Since 1918 free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Germany Since 1918. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious

and verify the legality of the source before downloading Germany Since 1918 any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Germany Since 1918 Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
