Jalen Waltman's Spanish 2A lessons were written for first semester level 2 high school Spanish and 2B is for second semester level 2 high school Spanish. The focus in level 2 is to build on students' fluency and vocab from Jalen's level 1 books, reinforce present tense as much as possible, and teach the preterit and imperfect. The textbook-aligned vocab sets in Jalen's level 2 books are taught with TPR and daily skits, then reinforced with page-long Spanish readings that recycle the content from the skits. Jalen's 2A lessons have very long vocab lists such as professions, places around town, etc., taught with TPR, either with motions, visuals, or both, then the lessons focus more deeply on some of that vocab for the skits and readings. The first half of this 2A book is a review of present tense from Jalen's level 1 books, so the skits and readings are in present tense for the first 15 lessons; the second half of 2A introduces past tense in the readings only. 2B features a greatly reduced new vocab load so that you can focus more fully on the preterit and imperfect, and all the skits and readings are in past tense in 2B. The lessons include a complete vocab list by semester, daily warm-up quizzes, skit scripts, page-long Spanish readings recycling the vocab, grammar content of the skit, graphic organizers, cooperative learning activities, writing activities, grammar topics you use your own textbook or grammar workbook, worksheets to go with the topic, and grammar homework assignments. Two mini tests per semester plus midterm and final exam. The lessons are designed so that once you have your copies made, you can just flip the pages and teach. Jalen Waltman's Complete Spanish Lesson Plans Spanish 1B Jalen Waltman, 2009-08-15. Jalen Waltman's Spanish 1A and 1B 2009 Version books were written for high school level 1 Spanish. 1A is for first semester level 1 and 1B is for second semester level 1. At level 1, the lessons are designed to get students speaking and writing Spanish with enthusiasm and confidence by the end of the first semester, primarily by acquiring vocab sets with skits and readings. Spanish 1B expands on the vocab in 1A using textbook-aligned vocab lists and grammar topics such as descriptions of people, directional words, chores, rooms and things in the house, food ordering in restaurants, and reacting to food, extended family words, town and city words, clothing, staying in shape, and being healthy, and getting ready words. The grammar includes an extension of basic verbs like *poder*, *llevar*, *ganar*, *vender*, *encontrar*, *costar*, *probar*, and reflexive verbs like *ponerse*, *los zapatos*, *peinarse*, etc. Vocab sets are taught with TPR and skits, and reinforced with page-long Spanish readings. By the end of these level 1 lessons, most students should be writing 100-word, 10-minute narrative Spanish essays with no dictionary help, as well as narrating simple Spanish stories by looking at stick figure drawings and describing what's going on, also with no dictionary help. The lessons include a complete vocab list by semester, daily warm-up quizzes, skit scripts, page-long Spanish readings recycling the vocab, grammar content of the skit, graphic organizers, writing activities, cooperative learning activities, grammar topics you find and use your own textbook, workbook, or online worksheets to go with the topic, and two mini tests per semester plus midterm and final exam. These lessons are designed so that once you have your copies made, you can just flip the pages and teach. All masters are included and ready to copy, including sub plans.
