...and the first time I saw the car, I knew it was the one. I had to have it.

...and the last time I saw the house
the windows were broken glass
and the roof was broken around the
corners. I didn't notice anything else.

concerns were raised about "the new world order" and "a new world order economy." Although these concerns primarily focused on issues of economic development and political stability, the focus provided them with a new political edge. During the 1990s, the concept of "new world order" was used to describe a new political order that was to be based on the principles of democracy and free markets.
