*A Method for Prayer* Matthew Henry,1818    *A Method for Prayer* Matthew Henry,1772    *A Method for Prayer* Matthew Henry,1710    **A Method for Prayer, with Scripture Expressions, Proper to be Used Under Each Head by the Late Matthew Henry** ... Matthew Henry,1852    *A Method for Prayer* Matthew Henry,1718    *A Method for Prayer* Matthew Henry,2018-11-16 Matthew Henry's classic describing how Christians can rightly conduct prayers for public occasions has for centuries been a valuable source for believers Writing in the 1710s the author reflected on his lifetime as a man of God who had conducted many official ceremonies and events in his church The concerns of his congregation many of whom experienced the heights of joy and depths of despair that life offers led Matthew Henry to devise a methodology for praying to the Lord rich in example This method is intended to both respect and properly consult the divine and also give comfort to believers who are in a state of distress or anxiety Requests to God to fulfil a desire to forgive a sin as well as communications of life Simple prayers of praise wherein the Lord is given thanks for good fortune or daily small blessings are also detailed Most of Henry's recommendations reference Biblical scripture as a source with the Holy Bible as his backing the advices and methods of the author are beyond question The language he uses is reminiscent of the King James Version of the text which was the dominant Bible in the 17th and 18th centuries Despite the passage of centuries the authority and authenticity of Henry's prayer method is undiminished    *A Method for Prayer* Matthew Henry,1762    *A Method for Prayer* Matthew Henry,2021-10-27 The Bible is a letter God has sent to us prayer is a letter we send to him Matthew Henry Matthew Henry known for his exegetical commentaries of the Bible was a minister in England at the turn of the 18th century Being a nonconformist he was prevented from holding public office from participating in many social functions could not graduate from any English or Welsh Universities and was burdened with numerous other limitations The Act of Uniformity the Five Mile Act and the Test Acts levied harsh punishments against him and his family along with all other nonconformists and Catholics within the realm Yet Henry believed in a practical faith one that should be used to improve any person's daily living As such prayers should be done correctly frequently and fervently His book *A Method for Prayer* gives instructions not just for how to pray but also when one should pray Besides the Lord's Prayer another dozen practical and timely specific prayers are discussed Now almost two centuries after it was published *A Method for Prayer* gives a glimpse of religious life after the Restoration Not only does it allow the reader an opportunity to reflect on the long struggle to reach religious freedom it also remains a practical tool for faith    *A Method For Prayer* Matthew Henry,George Palmer,2009-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work    *A Method for Prayer* Matthew Henry,2016-08-02 Excerpt from *A Method for Prayer*

With Scripture Expressions Proper to Be Used Under Each Head When we join with others in prayer who are our mouth to God our minds must attend them by an intelligent believing concurrence with what is the feme feope and fubttance of what they say and affections working in us fuitable thereunto and this the scripture directs us to signify by saying Amen mentally if not vocally at their giving of thanks 1 Cor Xiv 16 And as far as our joining with them will permit we may intermix pious ejaculations of our own with their addreses provided they be pertinent that not the knit fragment of praying time may be lost About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *A Method for Prayer, with Scripture-expressions, Proper to be Used Under Each Head.*
