## **A Practical Guide To Evaluation:**

**A Practical Guide to Evaluation, Second Edition** Carl Brun, Professor of Social Work Carl Brun, 2013-11 A Practical Guide to Evaluation presents the mechanisms and processes of evaluation with an eye toward illustrating the impact of evaluation on the long term success of agencies The book utilizes a circular six step Evaluation Decision Making Model to discuss every stage of the evaluation process highlighting the model's applicability to different types of evaluations in different professional settings The new edition of the book has been reformatted as a workbook with tear out checklists exercises and decision making tasks for each chapter so students and practitioners will have an opportunity to practice skills taught Unlike many evaluation manuals which focus purely on theory A Practical Guide to Evaluation uses literature reviews and logic models as well as complete case studies to help social service practitioners connect theory to planning and evaluation Back cover

*Evaluation in a Nutshell* Adrian Bauman, Adrian Ernest Bauman, Don Nutbeam, 2014 Evaluation in a Nutshell 2e provides students with a succinct guide to the strategic and technical issues that arise during the evaluation of health promotion programs The perfect companion to Theory in a Nutshell 3e this book contains practical advice on how to understand interpret and assess existing health promotion programs This guide includes not only individual interventions but also community and population health programs and demonstrates the need to tailor each evaluation to suit the circumstances of the particular program This second edition has been fully updated and includes a new chapter focusing on the evaluation of studies on smaller group programs for replication and dissemination to the wider population separate chapters on formative evaluation and process evaluation to provide students with a more thorough explanation and therefore better understanding of these two areas Written by international experts in health promotion this book will guide students in developing the core skills necessary for valuable and practical evaluations

**A Practical Guide to Evaluation** Carl F. Brun, 2013-11-01 Evaluation of social and education services leads to better practice however many practitioners find the language of evaluation difficult to conceptualise A Practical Guide to Evaluation presents the mechanisms and processes of evaluation with a clear eye toward the impact evaluation has for the long term productivity and success of practices and agencies
