## **A Mother To Embarrass Me:**

**A Mother to Embarrass Me** Carol Lynch Williams,2008-12-18 Now that Laura is 12 years old she realizes that everything about her mother is totally embarrassing Like the way she yodels at the top of her lungs while she works okay she calls it singing And plays really old music so loud the neighbors can hear can t she listen to normal music And walks around in clay covered pajamas yes she is a sculptor but still But things are about to get much much worse Laura has noticed that her mother is getting a little bit well fat Then one night over dinner at a restaurant since she almost burned down the house trying to cook her mother announces that she s going to have a baby Now all the neighbors including the gorgeous boy Laura has a crush on will know her parents have been doing it Maybe even in the house There must be some way Laura can change her mother before her own life is completely utterly ruined

## **Growing Up with a Schizophrenic Mother** Margaret J.

Brown,Doris Parker Roberts,2015-11-03 An estimated two to three million people in the United States today were raised by a schizophrenic parent Brown and Roberts offer a unique book based on interviews with over forty adult children of mothers diagnosed as schizophrenic Such topics as the isolation their family felt their chaotic home environments their present relationships with their mothers and the lost potential of mother and child are covered Their stories are fascinating and provide important information to both the mental health community and the lay public The offspring have been described as having higher rates of increased aggressivity and sibling conflict but often their circumstances strengthened these children and contributed to artistic and creative talents resiliency and high achievements The authors provide an overview of schizophrenia behaviors of the affected parent and the marital relationship of the patient and her non schizophrenic spouse As adults the respondents now share their grievances about the psychological community what they needed and did not get Brown and Roberts then present suggestions for treatment of affected children aimed at psychiatrists psychologists social workers counselors and health care providers
