**Pictures on Kindle**

Aaron Shepard, 2013-07 Almost everything you've read about formatting pictures for Kindle is wrong. The advice offered by Kindle experts and even Amazon itself can give images that are tiny, blocky, noisy or wildly inconsistent on different Kindles. Aaron Shepard, author of acclaimed books on Kindle and POD publishing, brings his years of experience in book design, webmastering and photography to bear on a single question: How do you make pictures look great on the Kindle? He answers that question while also providing beginners a basic course in picture editing. Along the way he discusses how to keep Microsoft Word from sneakily degrading your pictures, how to adjust HTML code to show images at their best, how to make part of a picture transparent for Night and Sepia modes, how to boost the power of your cover image as a marketing tool and how to create anything from children's books to photography books to poetry books within minutes with the Kindle Comic Creator. Best of all, you don't have to take his word for any of it. The proof is right in the book with samples of many kinds of pictures you might use: photos, paintings, drawings, diagrams, tables, screenshots, cover images and more. Nowhere else will you find such in-depth info on working with Kindle graphics. Whatever you use to create Kindle books—Word, InDesign, a dedicated ebook app or straight HTML—you'll find *Pictures on Kindle*, a perfect companion to other formatting guides. Aaron Shepard is a foremost proponent of the new business of profitable self publishing, which he has practiced and helped develop since 1998. He is the author of *Aiming at Amazon: POD for Profit Perfect Pages* and *From Word to Kindle: Amazon's 1 bestselling paid book on Kindle formatting*. **REVIEWS** Far and away the best resource I know for self publishers who plan to include photos or other graphics in their Kindle books. From tips on taking photos through sizing, optimizing and placing, this book wastes no space in giving you exactly the information you need. Highly recommended. [Joel Friedlander.TheBookDesigner.com](http://JoelFriedlander.TheBookDesigner.com) A detailed, comprehensive guide to getting the best out of your images on Kindle. From taking photos to scanning to optimizing, Aaron covers every possible step in making sure your images display well in Kindle format. In addition, he provides very useful explanations of the Kindle's image handling for those of us who like to understand the reasons behind the steps. I for one will be adding this to my list of reference materials. Maybe you have your book published on Kindle but want to take it to the next level and publish a paperback version. You're a writer, not an internet guru. Why do Amazon and Createspace make it so difficult to navigate the maze of the publishing process? Finally, a simple guide that's easy to understand, filled with full color images to show you how it's done. A publishing guide for the rest of us. This is the book that I've been handing out to authors for years and now it's available for anyone to purchase. *Kindle Publishing*

101 Nicholas Oetken,2017-12-10 Do you want to start a profitable Kindle publishing business that makes you money every single day while you sleep Over a year ago I knew I did Since then I have published books in several different niches and tried numerous different strategies to build my publishing business to where it is now Today I consistently make several thousand dollars a month with Kindle publishing ten of my books have reached the 1 bestseller ranking in their respective categories and I sell thousands of books every month Having been there and done that I can tell you that the 1 thing I have done to get to where I am today is to build up your pen names as authoritative brands in your niche and that's exactly what I'm going to teach you how to do in this book In this book I will share with you the following The story of how I got into Kindle publishing The 5 basic steps to create a Kindle book How to choose a niche and keyword that will make you money How to research write and publish a Kindle eBook in less than 24 hours How to turn your pen name's into an authoritative brand How to publish your eBook to the Kindle Store Kindle Publishing tips you can't afford to overlook Within those chapters the additional topics will be discussed as well How to find a niche that's getting lots of monthly searches but also has low competition How to choose competitive keywords How to choose a book title and subtitle that sell How to write an excellent introduction and conclusion How to ensure that your entire book is high quality and contains value Guidelines for creating a high quality Kindle cover Why value is more important than length for your book How to promote your pen name on social media The importance of building an email list and how to interact with your subscribers How to reward your loyal email subscribers How why Amazon will promote your book for you How to determine the best price for your books Easy and effective tactics to always get lots of 5 star reviews for your books How to outsource your book and cover Kindle publishing is the easiest and quickest way to create a passive income stream online and it's something that anybody can do As we'll discuss you don't even have to be a writer to be a Kindle publisher because you can outsource the entire process It also has a low start up cost and since Amazon is the largest bookstore in the world and the number of Kindle books sold has long since eclipsed the number of traditional paperback books sold the potential reward is HUGE And the best party is the sky is the limit with what you can make with Kindle publishing It's possible to either write a book that makes you an extra hundred bucks or two a month with it in passive income or it's possible to fully commit yourself to the process and produce lots of Kindle books each week under an authoritative pen name to eventually earn you thousands of dollars a month If you want to learn how to create a Kindle publishing business that consistently produces thousands of dollars a month while you sleep then this book is for you [Creating Kindle Comics](#) Luis Windler,2021-07-23 This book helped me locate some of the most important details of Self Publishing Though the illustrations were a little blurry it was unimportant because the explanation was thorough The book is an easy read and can be done in one sitting but the information is value packed The problem many writers face is getting ideas and putting them down on paper but not being equipped with the knowledge and resources to move forward to a completed project [Pictures on Kindle](#) Aaron Shepard,2017-01-10 NOTE PLEASE VISIT AARON S
