relationships of the music industry print media critical practice and rock culture. And they repeatedly dispel the notion that being a journalist is the next best thing to being a rock star. Author note: Steve Jones is Professor of Communication at the University of Illinois Chicago. Among his books are *CyberSociety*, *Computer Mediated Communication and Community*, *editor and Rock Formation*, *Popular Music Technology and Mass Communication*, *Side/Lines* (Rob McLennan, 2009). This anthology offers refreshing, cogent and insightful explanations of why young poets and writers do what they do. The thirty pieces in *Side lines* are by a unique variety of Canadian writers working in numerous genres. They reflect on why writers write. Their reflections are not to be held as gospel or lifelong theories but can be considered writing strategies drawn up at specific points in time informed by certain unavoidable material conditions such as current politics and emotions. Ask these writers to explain their craft in ten years and you may be surprised by their answers. **Never Broken Deluxe** (Jewel, 2015-09-15). The deluxe eBook edition of *Never Broken* includes more than an hour of audio tracks and video footage including live performances exclusive a cappella recordings of each song featured in the book and a rare recording of the audition that Jewel made at age fifteen for Interlochen Arts Academy. These additions along with photographs of handwritten lyrics, personal artwork from Jewel's archives, behind the scenes tour footage and more enrich the heartfelt emotion and sense of adventure already so present in Jewel's words. New York Times bestselling poet and multi platinum singer songwriter Jewel explores her unconventional upbringing and extraordinary life in an inspirational memoir that covers her childhood to fame, marriage and motherhood. When Jewel's first album *Pieces of You* topped the charts in 1995 her emotional voice and vulnerable performance were groundbreaking. Drawing comparisons to Joan Baez and Joni Mitchell a singer songwriter of her kind had not emerged in decades. Now with more than thirty million albums sold worldwide Jewel tells the story of her life and the lessons learned from her experience and her music. Living on a homestead in Alaska Jewel learned to yodel at age five and joined her parents entertainment act working in hotels honky tonks and biker bars. Behind a strong willed family life with an emphasis on music and artistic talent however there was also instability abuse and trauma. At age fifteen she moved out and tasked herself with a mission to see if she could avoid being the kind of statistic that her past indicated for her future. Soon after she was accepted to the prestigious Interlochen Arts Academy in Michigan and there she began writing her own songs as a means of expressing herself and documenting her journey to find happiness. Jewel was eighteen and homeless in San Diego when a radio DJ aired a bootleg version of one of her songs and it was requested into the top ten countdown something unheard of for an unsigned artist. By the time she was twenty one her debut had gone multiplatinum. There is much more to Jewel's story though one complicated by family legacies by crippling fear and insecurity and by the extraordinary circumstances in which she managed to flourish and find happiness despite these obstacles. Along her road of self discovery learning to redirect her fate Jewel has become an iconic singer and songwriter. In *Never Broken* she reflects on how she survived and how writing songs poetry and prose has saved her life many times over. She writes lyrically about the

natural wonders of Alaska about pain and loss about the healing power of motherhood and about discovering her own identity years after the entire world had discovered the beauty of her songs *Knights Without Armor* Aaron R. Kipnis, 1991
