Justice and Only Justice Ateek, Naim ,2014-06-30 *Christian Zionism and the Restoration of Israel* Colin Chapman,2021-03-31 How should Christians today understand the many promises and prophecies in the Old Testament about the future of Israel and its land Are Christian Zionists justified in believing that these have been fulfilled in the return of Jews to their land since the 1880s and the creation of the State of Israel in 1948 This book discusses all the key texts about the restoration of Israel that are quoted in these debates questioning the Christian Zionist interpretation and offering an alternative This is followed by a detailed study of two important Old Testament texts dealing with the future of Israel Ezekiel 33 47 and Zechariah 9 13 understanding them in their original context and exploring how they are interpreted in the New Testament This is no theoretical ivory tower debate We are dealing here with the most bitter and protracted conflict of the last 150 years and the way we interpret the Bible has profound political consequences *Colonialism and the Bible* Tat-siong Benny Liew,Fernando F. Segovia,2018-04-11 This volume addresses the problematic relationship between

colonialism and the Bible It does so from the perspective of the Global South calling upon voices from Africa and the Middle East Asia and the Pacific and Latin America and the Caribbean The contributors address the present state of the problematic relationship in their respective geopolitical and geographical contexts In so doing they provide sharp analyses of the past the present and the future historical contexts and trajectories contemporary legacies and junctures and future projects and strategies Taken together the essays provide a rich and expansive comparative framework across the globe

Anglican Theology Stephen Burns,2024-06-30 It is now widely

acknowledged that Anglicanism far from being centred on western contexts is a worldwide phenomenon with some of its liveliest corners located in the global south Yet the Anglican theology which is taught in institutions is still focused overwhelmingly on a handful of British and North American voices By exploring the work of eighteen tricontinental and marginalized Anglican theologians this book begins to correct widespread bias in Anglican theology towards Britain and North Atlantic contexts The chapters it gathers consider the methods concerns and contributions to Anglican thinkers from Africa Asia Pasifika South America and eastern European settings amongst minoritized migrants to North Atlantic countries Chapters include Esther Mombo on Jenny Te Paa Daniel Michael Jagessar on Mukti Barton and Keun Joo Christine Pae on Kwok Pui lan

A Palestinian Theology of Liberation Naim Stifan Ateek,2017 Addressing what many consider the world s most controversial conflict Naim Ateek offers a succinct primer on liberation theology in the context of the Palestinian struggle for freedom and self determination Beginning with the historical roots of this struggle he shows how the memory of the Holocaust served to trump the claims and aspirations of the native inhabitants of Palestine and how later Israeli occupation and settlements in the West Bank have contributed to their suffering and oppression Supported by many Western Christians Israeli claims to the land rely on a particular exclusivist reading of the Bible In contrast a Palestinian theology of

liberation responds with a counter strategy for biblical interpretation emphasizing the prophetic themes of inclusivity and justice Ateek concludes by providing principles for achieving security peace and justice for all peoples in Israel Palestine

Le cri d'un chrétien palestinien pour la réconciliation Naïm Stifan Ateek, 2013-04-01 Cet ouvrage fait entendre le cri des Palestiniens chrétiens dont la foi est confrontée à un certain nombre de défis et de preuves. Mais ce cri est en même temps un fervent appel adressé à tous en faveur d'une foi inclusive qui rassemble et concilie les adversaires autour d'une même source d'eau vive. Il surgit de l'amour, la justice, le pardon et la paix.

LA THEOLOGIE CONTEXTUELLE ARABE

Antoine Fleyfel, 2011-04-01 L'objet de cette théologie offre une matière scientifique considérablement riche sur l'histoire, la théologie et la vie des communautés chrétiennes au Liban, sous ses aspects humain, culturel, politique, œcuménique et interreligieux. Y figurent également les défis auxquels devraient faire face les chrétiens en ce tournant décisif au Moyen-Orient.

[Through My Enemy's Eyes](#) Salim J. Munayer, Lisa Loden, 2014-02-01 This book addresses the universal theological dimension of reconciliation in the context of the Israeli Messianic Jewish and Palestinian Christian divide. Palestinian Christians and Israeli Messianic Jews share a belief in Jesus as the son of God and Messiah. Often, though, that is all they have in common. This remarkable book, written in collaboration by a local Palestinian Christian and an Israeli Messianic Jew, seeks to bridge this gap by addressing head-on divisive theological issues as well as their political implications, such as land covenant prophecy and eschatology, which separate their two communities. The struggle for reconciliation is painful and often extremely difficult for all of us. This unique work seeks to show a way forward.

COMMENDATIONS

In a world that wants to see only one side of every conflict and this one especially where people believe only their own propaganda and where many Christians inhabit hard shells of theological, political and apocalyptic certainties, this book is a bravely different voice. Rather, it is two voices talking carefully, honestly, graciously, respectfully and truthfully to each other as sisters and brothers in the Messiah. This is a unique conversation in which each partner, Messianic Jewish, Israeli and Palestinian Christian, gives full expression to all that they are and think and feel about themselves and the conflict in their land. We are treated to some stretching theological debate and some honest self-criticism. But above all, we come to share the hope and courage that shines through the pain and struggle.

Christopher J. H. Wright, International Ministries Director, Langham Partnership UK

The Palestinian-Israeli divide may be the most intractable conflict of our time. With great courage, honestly facing the turbulent political, historical and theological landscape, which authentic reconciliation must engage, Munayer and Loden open up fresh space. Given the divides between their communities, this book is a remarkable achievement, a cry of hope from the land where Jesus walked.

In Our Own Voices

Benjamin Valentin, 2010 Benjamin Valentin is professor of theology and culture at Andover Newton Theological School in Newton, Massachusetts. Book jacket:

The Land of Christ Yohanna Katanacho, 2013-10-01 Palestinians and Israeli Jews live in one land, yet as two distinct communities, each of which claims ownership of the same territory. How are we to understand the divine promise?

pertaining to the land Did God promise the land exclusively to the Jewish people Do the Palestinians have a right to live in the land or does God want them to leave After affirming important Palestinian Evangelical concerns The Land of Christ challenges the argument that God gave the land to Israel Yohanna Katanacho asks 1 What are the borders of the land 2 Who is Israel 3 How did God give Israel the land Through careful biblical exegesis the book responds to these questions exposing the superficiality of many slogans and claims Then the book presents an alternative biblical theology of the land However the theology of the land in this book is intimately associated with the context in Israel Palestine The Palestinian Kairos Document is the most accepted representative of the current Palestinian context and theology The book unpacks this document and extrapolates on its theology of the land Finally the author does not leave the reader without hope Katanacho portrays Hagar as a symbol of hope and considers the Korahite Psalms from the perspective of refugees

Palestinian Christians Anthony O'Mahony,1999 *Theology of Reconciliation in the Context of Church Relations* Rula Khoury Mansour,2020-01-31

Christians are called to be peacemakers in a world rife with conflict but how should Christians respond when the source of strife is not outside the church but within it Built on an in depth analysis of three Palestinian church splits this text examines the cultural and theological implications of intra church conflict in Arab evangelical communities in Israel Translating Miroslav Volf's formative theology of reconciliation into her contemporary Palestinian context Dr Rula Khoury Mansour provides a critical evaluation of both Volf's theory and Palestinian peacemaking models Through her research and analysis Dr Mansour develops a Middle Eastern theology of reconciliation and encourages congregations around the world to develop greater cultural and theological awareness in their quest to experience lasting peace within their churches and wider communities
