R. **Capturing Heaven's Attention** Chris Overstreet,2023-10-03 Experience God s Supernatural Power in Action Have you heard of God s supernatural power but never experienced it Are you tired of talking about a coming move of God and ready to be an active part of it right now For more than 15 years Chris Overstreet has followed the leading of God in his life from ministering in remote places around the

Do What Jesus Did Robby Dawkins,2013-06-15 A Real Life Field Guide to Doing What Jesus Did The things Jesus did are not just for Bible times They are for today For everyone Chicagoland pastor Robby Dawkins sees this again and again in his ministry to hurting people and even to gang members Everyday people are seeing God s power unleashed through simple faith in God s Word they are healing the sick routing demons and making a dynamic impact for the Kingdom of God But many other believers are missing out unaware that they have far more power and authority than they realize Dawkins shares dynamic real life instruction and amazing stories from the front lines of ministry showing that believers carry the authority of the Son of God and the power of the Holy Spirit wherever they are When we walk in the presence and authority of God we will do what Jesus did

**Bethany - resurrected church** Richard Spencer,Adam Threlfall,2014-09-22 This book is a record of a conversation between Jesus and part of his bride one local church We will follow this conversation over a number of years as he revealed more and more of his vision for his church He said to the man who would be the first among the first apostles I will build my church and we will

follow how he has been building us into the community that he wants us to be     **Follow Me** Richard Spencer,2016-10-06  
The purpose of this book is to awaken the church in this country to see that God is calling for a radical change of heart that will result in entering into the reality of being the body and the bride of Christ Inspired by the centurion in Matthew and Luke's Gospels the book uses an analogy of the practices of armies since Roman times with God's plan for his church in the cosmic war against the forces of evil The book shows the absolute need for churches and individuals to prioritise receiving and obeying their particular stream of orders from the Commander in Chief Then Jesus will be able to lead us as a regular army and not just as guerrilla fighters in a major campaign that will be revival     *Surprisingly Supernatural* Neil

Gilligan,2012-11-01 Surprisingly Supernatural A Practical Guide to Releasing the Gifts of the Spirit teaches believers to receive the gifts of the Spirit and then how to release the spiritual gifts of prophecy healings and miracles discernment and binding or driving out demons Then the believers are encouraged to bring in the harvest When believers learn how to release the gifts of the Spirit that is what the Bride of Christ is to do at the end of the age and then she will enter into the wedding banquet see Matt 24 14 25 9 10 You Will Learn That you are supposed to ask for the Holy Spirit and ask for the gifts of the Spirit and being continually filled by the Spirit was what the first disciples experienced and they were the first ones called Christians That if you will learn the conditions required for you to hear God's voice then you will be able to prophecy That if you will learn the keys to healing then you will begin to see the sick healed when you lay your hands on them That when you ask for the gift of discernment then you will begin to discern demons and the defilement that is around you Then you can cast out those demons That ley lines are spiritual highways that demons travel on over the earth and you will learn how to clean them off That when you release the gifts of the Spirit you will easily be able to show nonbelievers that Jesus Christ is the Son of God and is the Savior of the World That the Bride of Christ is to be continually filled by the Spirit until she is clothed in the armor of light and clothed in Jesus Christ then she will bring glory to the Lord see Rom 13 12 14     *A New Apostolic*

*Reformation?* R. Douglass Geivett,Holly Pivec,2018-07-25 This critique provides a framework for understanding and interpreting the widespread but little known New Apostolic Reformation movement As the authors state in the preface We write this book with two major goals in mind First to give people an idea of the sheer size and reach of the NAR movement And second to systematize its key teachings and practices and evaluate them on the basis of Scripture and careful reasoning In our judgment the NAR perspective crosses these boundaries that is certain broad parameters revealed in Scripture and practiced in the historical orthodox church and it does so in part because of flawed theology rooted in a flawed understanding of Scripture     **Faith That Sees** Chris Overstreet,2019-08-30 Life is a gift but it takes faith to discover the will of God and take action to follow the One that has called you Living a life of faith requires more than our intellect Faith requires seeing from the heart of God and responding to what He is asking us to do In Faith that Sees author Chris

Overstreet offers practical steps to live a life of bold and radical faith sharing the gospel spreading the love of Christ and
