A Practical View Of Christianity Hendrickson Christian Classics:

A Practical View of Christianity William Wilberforce,2006 An annotated reissue of the first British edition of 1797 A practical view of the prevailing religious system of professed Christians in the higher and middle classes in this country contrasted with real Christianity by William Wilberforce First Hendrickson edition published in 1996 Reissued as part of the Hendrickson Christian classics series in 2006 Title page verso A Christian Guide to Spirituality Stephen W. Hiemstra,2017-12-16 Spirituality is lived belief When we pray worship or reach out to our neighbors we live out our beliefs Our beliefs structure our spirituality like skin stretched over the bones of our bodies These beliefs start with faith in God the Father through Jesus Christ as revealed through the Holy Spirit in scripture in the church and in daily life Our Trinitarian theology orders our beliefs Without a coherent theology we lose our identity in space and time having no map or compass to guide us on our way In the end we focus on ourselves not God Christian spirituality starts with God not with us A Christian Guide to Spirituality takes the form of 50 daily devotions Each topic is treated with a scriptural reference reflection prayer and questions for discussion Occasionally references are provided for further study The first four chapters Introduction Apostle s Creed Lord s Prayer and Ten Commandments cover 40 days making them suitable as a Lenten study Ten additional days focus on the spiritual disciplines and a short conclusion Reading A Christian Guide to Spirituality will help readers understand Christian spirituality better and nurture their faith There is no such thing as quality time with the Lord there is only time The living God speaks to us in many ways but especially through scripture These three sources cited Apostle s Creed Lord s Prayer and Ten Commandments are commonly called the rule of faith *regula fidei* and were utilized for nearly two millennia as a means to apprentice the faith These sources are the heart of the confessions of most Christian faith communities and denominations Hear the words walk the steps experience the joy Author Stephen W Hiemstra MDiv PhD is a slave of Christ husband father tentmaker economist and writer He lives with Maryam his wife of 30 years in Centreville VA and they have three grown children The foreword is written by Neal D Presa This book might be classified appropriately in spirituality Christian living devotion faith religion and theology Spiritual Trilogy Stephen W. Hiemstra,2018-02-16 This trilogy combines three books published previously A Christian Guide to Spirituality Life in Tension and Called Along the Way Together they chronicle a spiritual journey during the period from 2013 through 2017 The first two books focus on the question who is God while the third book focuses on the question who are we The call to faith and ministry is personal but it is also corporal being informed by the community of faith at one time and in one place The original books have been reproduced as published Offering them together makes them available more economically and draws attention to their common purpose Because spirituality is lived belief it is important to reflect on what we say we believe and what we actually practice This reflective process is inherently stressful but it is a normal part of our Christian journey as we prepare in this life for the next Hear the words walk the steps experience the joy Author Stephen W Hiemstra MDiv PhD is a slave of Christ

Hiemstra, 2019-04-26 As Christians how do we know what we know This simple question challenges the nature of information how we learn decision making who we are and who this God is that we worship If this challenge appears optional it is not our post Christian culture questions every faith assumption Simple Faith examines these questions and discusses implications for faith and life An important implication of this study is that faith plays a critical role into how we think learn and make decisions in the context of limited resources and an uncertain future Even scientific inquiry requires faith which normally gets hidden in untested assumptions and presumptions about what is interesting to investigate Often the critical arguments driving our decisions are not cold hard facts but the stories that we tell in the midst of complex decision environments The timing of this inquiry is critical The movement from modern to postmodern thinking has upended most institutions but especially the Christian church The separation of heart and mind which characterizes modern thinking eroded faith leaving the church in a weak position to adapt to the rapid changes accompanying postmodernism Ironically postmodern thinking that values storytelling favors Christian faith because the Gospel of Jesus Christ is the best story around Jesus' Economy John D. Barry, 2019-01-08 You know people around the world are struggling A homeless man holds a sign that reads Anything helps A poor child lives in a slum swarming with flies A refugee mother is on the brink of starvation You ask yourself But what can I do about such big problems You re looking for long term solutions John D Barry shares incredible and often shocking stories about working among the impoverished and unchurched in the U S and abroad And since Barry is a Bible scholar Jesus Economy is also deeply rooted in the Scriptures It is a personal sometimes funny often heartbreaking account that presents a revolutionary pattern for lasting change Jesus Economy is based on self sacrifice His currency is love It s called Jesus Economy because it s about creating a spiritual and physical economy for those who need it most Here is a thoroughly biblical and compassionate pattern for addressing issues of poverty

and offering the hope of the gospel Jesus Economy Shows how you as an individual can best encourage renewal in your community Demonstrates how your church community or any group can alleviate poverty Presents a unified plan for creating jobs spreading the gospel and meeting basic needs Focuses on community development and sustainability lasting change globally and locally Jesus Economy is a call to address our own spiritual poverty as people who can too easily become distant from Christ and it is a call to address the physical poverty all around us in a smart and sustainable way Jesus teachings show that with simple everyday choices you can make the world a better place and create enduring change Here s how to live Jesus economy a currency of love 100% of author s proceeds go to the nonprofit Jesus Economy to fuel the movement of creating jobs and churches in the developing world **...And the Devil Is Defeated!** Kari Quijas,2021-06-28 He will swallow up death in victory and the Lord God will wipe away tears from off all faces and the rebuke of his people shall he take away from off all the earth for the Lord hath spoken it And it shall be said in that day Lo this is our God we have waited for him and he will save us this is the Lord we have waited for him we will be glad and rejoice in his salvation Isaiah 29 8 9 The 2020 events of the global pandemic had me searching online for help Actually it had us all running for cover masking gelling distancing and hoarding I found courage in the sermons of a Ladies ministry teacher and Pastor s wife Sister Claudette Walker Faith Apostolic Church of Troy Michigan I loved her boldness I loved her confidence in Christ She was so revealing on the nature of God I said within myself You are right God would never leave us nor forsake us I knew this I saw a great ray of sunshine through YouTube video sermons Interesting I had listened to them before just a couple years earlier but this time I was paying close attention to what God was doing and saying through her I felt my courage rise in me to fight back against fear and depression more than that I recognized the source of evil It was demonic and it was coming for us all This book was birthed through the 2020 COVID outbreak I lovingly dedicate it to Sister Claudette Walker and to our LORD Jesus Christ **Abolition** Mark Olson,2014-03 A nation s economy cannot be sustained when nearly one third of its population has been wiped out This is basic macroeconomics This is what we have done through abortion in America In the 1980 s President Reagan outlined a workable plan for legally abolishing abortion this plan has yet to be followed In a call to vision rather than reaction ABOLITION charts a new course for the church in America to as Charles Finney stated take right ground in Politics informed by God s heart instead of leaning on the partisan understandings of mere men *A Letter from Christ* Kerry D. McRoberts,2012-02-15 Our nation is politically ideologically and socially polarized to the point of breaking confusion dominates every layer of our culture The church in America is a letter from Christ 2 Cor 3 3 written to our politically cynical socially insecure and spiritually skeptical culture Before the Gospel may become clear in our post everything culture we must make truth real in our hearts The purpose of this book is to 1 redefine dualistic frames in the minds of contemporary Christians that separate the saved from the advent of God s healing reign on Earth 2 relate Christian compassion to a post secular America and 3 propose a redefinition of the Christian controlling narrative Such a revised

narrative will light the way for our restless hearts so that we as a nation may return from exile to restoration and rejoice in the sovereign reign of God in Christ **The Horrible Gift of Freedom** Marcus Wood,2010 Meditations on the paradoxes generated around the ending of western slavery In his tour de force Blind Memory Marcus Wood read the visual archive of slavery in eighteenth and nineteenth century America and Britain with a closeness and rigor that until then had been applied only to the written texts of that epoch Blind Memory changed the way we look at everything from a Turner seascape to a crude woodcut in a runaway slave advertisement The Horrible Gift of Freedom brings the same degree of rigor to an analysis of the visual culture of Atlantic emancipation Wood takes a troubled and troubling look at the iconography inspired by the abolition of slavery across the Atlantic diaspora Why he asks did imagery showing the very instant of the birth of black slave freedom invariably personify Liberty as a white woman Where did the image of the enchainèd kneeling slave ubiquitous in abolitionist visual culture on both sides of the Atlantic come from And most important why was freedom invariably depicted as a gift from white people to black people In order to assess what the inheritance of emancipation imagery means now and to speculate about where it may travel in the future Wood spends the latter parts of this book looking at the 2007 bicentenary of the 1807 Slave Trade Abolition Act In this context a provocative range of material is analyzed including commemorative postage stamps museum exhibits street performances religious ceremonies political protests and popular film By taking a new look at the role of the visual arts in promoting the great emancipation swindle Wood brings into the open the manner in which the slave power and its inheritors have single mindedly focused on celebratory cultural myths that function to diminish both white culpability and black outrage This book demands that the living lies developed around the memory of the emancipation moment in Europe and America need to be not only reassessed but demolished
