The Journey Through Cancer Dr. Jeremy Geffen, 2007-12-18 The Journey Through Cancer is an essential guide for all cancer patients their families and their loved ones As a board certified oncologist with more than ten years of experience serving as physician guide mentor coach and friend to thousands of cancer patients and their families Dr Jeremy Geffen has learned how cancer often challenges the mind heart and spirit of patients and their families as deeply if not more deeply than it challenges the physical body Yet this simple truth is often overlooked by Western medicine as it aggressively pursues the best ways to diagnose and treat cancer Too often physicians focus almost exclusively on the physical dimensions of the disease rather than caring for the whole person who has the disease Dr Geffen presents a groundbreaking seven level program used at his cancer center in Florida that addresses every dimension of the person with cancer physical mental emotional and spiritual Education and Information giving patients answers to questions about their disease and their treatment options Psychosocial Support focusing on the need for and benefits of a strong support network The Body as Garden exploring the vast array of alternative and complementary therapies Emotional Healing helping patients and families deal with the often overwhelming emotional challenges of cancer The Nature of Mind exploring how patients thoughts and beliefs profoundly influence their journey Life Assessment showing patients how to discover their life's deepest meaning and purpose The Nature of Spirit connecting patients to the profoundly healing spiritual aspect of life we all share In The Journey Through Cancer Dr Geffen presents a revolutionary model of healing based on the best treatments available from every culture and paradigm of medicine one that respects and explores every possible avenue and resource for healing and transformation blending East and West body and mind heart and technology science and spirit

Cancer Is a Four-Letter Word Larry Kreps, 2009-12 Prostate cancer is the second leading cause of cancer death in American men today closely following lung cancer About one man in six will be diagnosed with prostate cancer during his lifetime But only one in 35 will die from it More than two million men in the United States who have been diagnosed at some point are still alive today I am one of them My book Cancer is a Four Letter Word A Pilgrimage into the Emotional Sexual and Spiritual Aspects of Prostate

Cancer chronicles my own experience with this terrible disease From early diagnosis fear and panic to shopping for the best treatment to surgery and subsequent recovery I trace not only the physical journey of getting my stamina and good health back but also the psychological and sexual implications My format includes an interweaving of my own story of prostate cancer with other men s stories along with open ended questions at the end of each chapter to keep men and their partners talking late into the night There s also a resource list to provide support for a lifetime Although concise and easy to read my book doesn t hold back any personal details Readers will learn what to expect in regard to diapering oneself post surgery working through debilitating depression and forging the uncharted territory of a different kind of sexual intimacy More importantly they ll hear about learning to accept support from loving friends and how to talk to God in a whole new way Rarely does a reader find an account of experiencing God s overwhelming love and grace in the same chapter as explicit details on how to give oneself penile injections to overcome erectile dysfunction
