A Principals Journey The School As My Classroom:

A Principal's Journey Irene Hannigan, 2014-06-30 *New Teachers in Urban Schools: Journeys Toward Social Equity Teaching* Althier M. Lazar, Leslie M. Reich, 2016-03-07 This volume informs the reader about new teachers in urban underserved schools and their development as teachers for social equity The accounts of five novice teachers who grew up outside the communities in which they teach lead to chapters that contain advice for teacher educators future and current teachers and school leaders These early career teachers learned much about bridging the cultural divide between themselves and their students confronted and resolved big challenges that may immobilize some who set out to teach in these communities They brought to their classrooms strong social justice orientations including a moral imperative to make a difference in the world an awareness of social and educational inequalities and a strong sense of responsibility to positively influence the life trajectories of students in their charge Their narratives offer insights on the dispositions and contexts that will help early career teachers survive and thrive and make a difference in their students lives *Teacher Journeys* Rita Gilbert Greer EdD, 2020-04-24 Where you live does not define who you are or who you can be Those were the words of a wise woman who did not know that she was a teacher or that her words would be remembered and passed on to future generations long after she died However this wise woman did know that to make her belief come to fruition education was the key For many African Americans who travelled life s highway during the twentieth century caring teachers were their guiding star their map their GPS and their light through the tunnel Teachers gave students confidence hope determination knowledge and a feeling of yes you can In this book the author rejects the idea that anybody can teach and provides clear distinct criteria for anyone thinking about teaching as a career The stories she shares also serve as a thank you to all of America s teachers Discover how African American teachers have inspired students to succeed and pay it forward with the remarkable stories in *Teacher Journeys* We must have outstanding teachers in today s schools Expectations are key to student performance and teacher success If teachers have realistic expectations our kids will try to live up to them No child wants to be a failure and no good teacher wants their students to fail Daisy R Wright Teacher Without knowledge and skills opportunities cease The burden of developing and imparting the knowledge and skills has been placed squarely upon teachers regardless of how unfair and lopsided it seems If anyone is thinking about becoming a teacher he or she must understand that this profession makes the biggest imprint of any occupation in society Verna Cahoon Principal **Journeys Through Ethnography** Annette Lareau, Jeffrey Shultz, 2018-10-08 Learning how to carry out research projects using participant observation and in depth interviews has become a priority for scholars in a wide range of fields including anthropology sociology education social work nursing and psychology This book a collection of well known fieldwork accounts covering the qualitative research process aims to help undergraduate students graduate students and scholars in the social sciences understand common problems in the research process and learn strategies for resolving them Unlike

methods books that treat research issues in a superficial or prescriptive fashion this book realistically portrays through researchers own accounts the process of discovery and resolution of conflicts involved in fieldwork It also shows the costs involved in the choice of solutions Students and seasoned scholars alike will find the collection a source of knowledge inspiration and comfort concerning the complexity of conducting fieldwork Learning how to carry out research projects using participant observation and in depth interviews has become a priority for scholars in a wide range of fields including anthropology sociology education social work nursing and psychology This book a collection of well known fieldwork accounts covering the qualitative research process aims to help undergraduate students graduate students and scholars in the social sciences understand common problems in the research process and learn strategies for resolving them Unlike methods books that treat research issues in a superficial or prescriptive fashion this book realistically portrays through researchers own accounts the process of discovery and resolution of conflicts involved in fieldwork It also shows the costs involved in the choice of solutions Students and seasoned scholars alike will find the collection a source of knowledge inspiration and comfort concerning the complexity of conducting fieldwork

Teachers, 1930 *Creating a Culture of Support for Teacher Leaders* Rosemary Gornik, Wendy L. Samford, 2018-02-09 Within the pages of this book you will meet six K 12 practicing public school administrators and two university instructors who give concise study and practice guidance on two aims 1 to build the awareness and capabilities to become a lead professional for democratic ways of living and 2 to develop the school culture needed to support this teacher leadership Teacher leadership is not in addition to the many initiatives administrators face each day Rather you will read stories about teacher leadership incorporated into the initiatives that already exist By distributing leadership administrators organically utilize the gifts and talents that individual teachers already possess defying prescribed roles and specific job descriptions A

key feature in this text is its problem solving orientation and the interplay among teaching learning leading research that raises critical questions for professionals ready to understand the nuances of educational growth in societies with democratic ideals In spite of the political demands for efficiency and accountability six administrators worked with teacher leaders in different contexts to develop and exercise the wisdom which honors the democratic ideals upon which our society was built

Principal Leadership for Racial Equity Candace Raskin,Melissa Krull,Antonia Felix,2021-03-13 Enhance your capacity for antiracist leadership The COVID 19 pandemic has illuminated deep seated structural inequities in our schools and across society More than ever education leaders are being challenged to take action to disrupt the institutional racism that undergirds many of our longstanding policies and practices Our students are challenging us to step up and be antiracists who commit to the uncompromising belief all children can learn and deserve an exceptional education Based on 10 years of work leading the Institute for Courageous Principal Leadership this book guides leaders to expanding their racial consciousness through self reflection and provides the tools they need to counter implicit bias and respond to resistance Grounded in research but written in practitioner friendly language this book Focuses on systemic leadership and institutional failures as the source of predictable student outcomes Leverages research and theory to create a process for principals to build racially equitable practices Navigates the politics of leadership without compromising student achievement The practical lessons and strategies in this book will equip you with the skills to implement the leadership and actions that must be taken to confront the reality of systemic racism in education and transform schools into learning environments with a student centered commitment to high achievement for every learner

Meet the Principal Jane Blomstrand,2019-07-24 Most of us have experience with school either as a student a parent or maybe as a teacher But few people have experienced walking in the shoes of a school principal Meet the Principal is a collection of stories from one principal s experiences These stories show the many intriguing challenges a school leader faces each day Most principals have stories just like these Some are funny some are sad some may surprise you and some may touch your heart When you put them all together as a book they portray a realistic view of the complex and delicate relationships all principals juggle while on their journey into the very heart of education There is a lot more to being a principal than most folks would believe It should be required reading for new principals D Mercer President of the YMCA of the USA retired This is an eye opening read for anyone wanting a better understanding of the events at school that challenge the principals and teachers The only criticism I have is that I wanted it to go on for longer L Craig Grandparent This UPDATED and retitled edition Originally Beyond the ABCs What Does a Principal Do All Day Dec 2018 includes new chapters and updated details
