Shelton, Sr.,2017-05-30 Changing The Way We Do Church is a book inspired by the recent decline and exodus which is taking place in the church For whatever reason people do not attend church the way they use to This has caused many challenges within the church and some congregations are struggling to survive There are many personal reasons why people do not attend church but some of it has to do with the church itself Worship is stale or failing to meet the people s spiritual needs However the tragedy is that many churches have not realized this drastic change or they are ignoring what s taking place Another issue is that everything is changing but many churches are staying the same If some churches do not wake up and make some necessary changes they will continue to lose members and be forced to close its doors Therefore this book is a practical guide that will assist churches in why and how they should implement change so that the church can continue to be a fruitful congregation **Guidelines for Good Policy and Practice** Development Services Exchange (Solomon Islands),2001
