INTRODUCTION When we think about the world that we live in, it is improving. There is a better way to be with humanity. We are no longer ruled by greed, but by love. We are no longer in misery, but in joy. The answer you'll discover is found in our minds. By being too caught up in either the past or the future and by working too much on our egos, we are not truly happy. And fulfilling our potential in the present moment. In short, if we overcome our egos, we can create a better world. In this book, you'll learn what really meant by the Christ when he said that the twenty-first century must be a time when you would aspire to be like a duck.
