A Paramedic's Story Life Death And Everything In Between:

A Paramedic's Story Steven "Kelly" Grayson, 2010-03-02 Welcome to the life and death world of an EMT sometimes bloody sometimes even funny but always compelling When someone dials 911 Emergency Medical Technician Kelly Grayson is there to restart the heart that has stopped beating deal with dangerously high blood alcohol levels or pull a body from a mangled car wreck As an EMT Grayson sees people at their best and worst in situations that can be gruesome moving and heart breaking Regardless of the emergency Grayson is the first line of defense picking up the pieces and saving lives or sadly watching them slip away A Paramedic's Story is bursting with stories that run the gamut from lighthearted to heart wrenching With his brutally candid style Grayson gives readers his special insight into the human condition and shows us what it feels like to hold lives in his hands every day *First Response: The Life-and-Death Decisions of Paramedics* Sultan Manzil Alanazi, Talal Manzil Alanazi, Abdullah Matar Alanazi, Tariq Rabeh Al-Mutairi, The world of emergency medical services EMS is frenzied and every second matters Paramedics and emergency responders are the gatekeepers of life and death and often make decisions that affect the lives of others with little more than a fraction of seconds The gravity of these decisions the outcome is immediate and irreversible is the crucible in which these professionals are forged This book *The Crucible of Emergency Care The Life and Death Decisions of Paramedics* is an examination of that high stakes setting It honors those that take the route of dealing reaction clarifying the valor expertise and strength necessary to work through one of the most serious minutes an individual may ever confront While the book is damn near all about the technical aspects of the job it is also a meditation on the mental fortitude and emotional endurance required to make decisions that can literally be the difference between life and death Throughout these pages readers will meet people who have endured who have triaged the dying stabilized the critically injured comforted the frightened all in the space of a few moments They will learn about the gasping preparations and extensive training that enable paramedics to act at a moment's notice and the complex moral and ethical dilemmas that can surface when the pressure is on and stakes are highest For paramedics making such sacrifices is not an afterthought it is part and parcel of the profession But at its heart this book is about the people behind the uniforms the grit empathy and expertise that paramedics bring to every emergency The demands of the work are great yet the calling to help others is often greater **En Route** Steven "Kelly" Grayson, 2009-03-03 Welcome to the fast paced high stress and often hilarious world of Kelly Grayson as he shares his raw and uncensored experiences in *En Route* a non stop ride on his career as a paramedic inside cover *En Route* Steven Kelly Grayson, 2016-12-02 Steven Kelly Grayson has seen the best of us at our worst When hearts stop working when blood alcohol levels exceed limits we shouldn't contemplate when bodies are extricated from car wrecks he's been there to pick up the pieces save our lives and watch us slip away *En Route* is an unflinching look at the heart of a paramedic and the profession that shaped him Grayson's touching stories of life and death and the hilarious ones of times in between are here to give us an insight of what happens after we call 911 the ambulance

doors close or even what happens inside the ER when the nurse shows the family to the waiting room *The Paramedic at Work* Leo McCann, 2022-05-26 Ambulance services and paramedics perform critical roles in contemporary healthcare economies Trained to work in the field and respond rapidly to emergencies societies have come to increasingly rely on ambulance services to deliver urgent care Never has this need been more acute than in recent years given intense social inequality overstretched and underfunded health systems and deadly pandemics Leo McCann offers the first book length study of the paramedic profession in England Based on in depth interviews and ethnographic observation *The Paramedic at Work* provides a detailed account of the complex realities of work in this fascinating occupation Chapters explore the nature of work out on the road the peculiarities of ambulance organizational culture the intensity of workplace stress and burnout and the current and future trajectory of paramedic professionalism The book documents the unique paradoxes experienced by those employed in this line of work Ambulance staff are trained to handle life threatening trauma and disease but most callouts consist of unplanned primary care Paramedic work features wide autonomy but is also bound into an array of micromanaging performance indicators Paramedics are trusted and respected in society but the profession is poorly understood and employers can be unsupportive However no matter how intense the personal struggles can be paramedic work also offers rare opportunities for meaningful and socially valued work This book shows that the role and status of the paramedic is rapidly moving from a manual occupation rooted in first aid and transportation to a clinical profession of increasing scope versatility and social respect **A Heartbeat Away** Arsen S. Marsoobian, 2018-01-02 Prepare spiritually relationally and financially to make the transition from this world to the next as painless as possible for you and your loved ones Each and every day we go through life expecting to get up in the morning and make it back to bed at night Unfortunately this is not guaranteed Yes we all will die at some point The probability of death is 100% and people need to be ready for that inevitability The how and when is not a choice for most people and the consequences of the actions they take before that happens are already determined yet the subject of death particularly one's own mortality is avoided by almost everyone *A Heartbeat Away* reveals the importance of being ready and provides the facts of actions consequences through true personal stories professional experiences and additional resources even from centuries ago Addressing three specific areas Spiritual Relationships and Finances Arsen Marsoobian or Papa SOOB offers suggestions and a blueprint for readers to ask themselves important life changing questions *A Heartbeat Away* moves readers to stop and reflect on their lives and the people they love in order to prevent regrets when the day comes that they don't make it back to their comfy bed and leave this world behind *The British National Bibliography* Arthur James Wells, 2009 *An Angel Healed Me* Theresa Cheung, 2010-03-04 Theresa Cheung is an expert in the field of angels and divine healing This her latest collection of amazing true stories focuses on the physical and emotional help people have experienced from unexplained or ethereal sources at times when they have been at their most vulnerable With chapters such as *Manifest a Miracle* and *An Angel at My*

Bedside the book tells of remarkable incidents where angels have appeared in hospital wards at difficult births during near death experiences and when someone actually dies easing their journey from the corporeal to the spirit world The common thread running through all these miraculous stories of healing from the inside out is that every angelic encounter provided the recipient with a strength courage and a power they never knew they had The Saturday Evening Post ,1919 *New York Magazine* ,1990-10-29 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The Advocate** ,2001-09-11 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States **T.
