The Life and Death of Sophie Stark Anna North,2016-06-14 Winner of the 2016 Lambda Literary Award for Bisexual Fiction I read The Life and Death of Sophie Stark with my heart in my mouth Not only a dissection of genius and the havoc it can wreak but also a thunderously good story Emma Donoghue New York Times bestselling author of Room This novel is perceptive subtle funny and lingers in unexpected ways The analysis of a woman who puts her art above all else is equal parts inspiration and warning story Anna North makes prose look easy Lena Dunham Who is Sophie Stark A brilliant filmmaker a lover a wife a friend a traitor A troubled misfit who becomes a star at great cost to the people who love her and ultimately to herself Gripping and provocative The Life and Death of Sophie Stark is a story of the power of art to transform lives and to destroy them and of an artist s drive to create something greater than herself even if it means sacrificing everything and everyone she loves

The Last Language Jennifer duBois,2023-10-17 In her brilliant novel Jennifer duBois deftly examines the very foundation of consciousness while rendering an exquisitely multilayered love story James Han Mattson author of Reprieve A few months after the death of her husband Angela is ejected from her doctoral program in linguistics at Harvard University Spinning and raw and with few other options the young widow and her four year old daughter move into her mother s house in Medford Massachusetts Trained with an understanding of spoken language as the essential foundation of thought Angela finds underpaid work at the Center a fledgling organization that is developing an experimental therapy aimed at helping nonverbal patients with motor impairments Through the Center Angela begins to work closely with Sam a twenty seven year old patient who has been confined to his bedroom for the majority of his life Following some faltering steps Sam takes to the technology proving to be not just literate but literary and charming Angela is initially stunned then drawn intensely to Sam and they develop an intimate relationship When their secret is discovered Sam s family intervenes and brings charges As Angela tells her story in the form of an unrepentant plea addressed from prison to her beloved we are plunged into a Nabokovian hall of mirrors in which it is hard to know whom or what to believe Is this a haunting story of doomed love a manipulative account of pitiful self delusion or as the state has charged a criminal assault of a victim who doesn t have the agency or intelligence required of a willing participant in a love affair Provocative and profound in its exploration of what makes us human this is an extraordinary novel from one of our most acclaimed contemporary writers

The Spectators Jennifer DuBois,2019 Talk show host Matthew Miller has made his fame by shining

a spotlight on the most unlikely and bizarre secrets of society exposing them on live television in front of millions of gawking viewers However the man behind The Mattie M Show remains a mystery both to his enormous audience and to those who work alongside him every day But when the high school students responsible for a mass shooting are found to be devoted fans Mattie is thrust into the glare of public scrutiny seen as the wry detached herald of a culture going downhill and going way too far Soon the secrets of Mattie s past as a brilliant young politician in a crime ridden New York City begin to push their way to the surface In her most daring and multidimensional novel yet Jennifer duBois vividly portrays the heyday of gay liberation in the seventies and the grip of the AIDS crisis in the eighties alongside a backstage view of nineties television in an age of moral panic DuBois explores an enigmatic man s downfall through the perspectives of two spectators Cel Mattie s skeptical publicist and Semi the disillusioned lover from his past With wit heart and crackling intelligence The Spectators examines the human capacity for reinvention and forces us to ask ourselves what we choose to look at and why *The*
