*The Routledge Companion to Theatre-Fiction* Graham Wolfe, 2023-11-14 Novelists have long been attracted to theatre. Some have pursued success on the stage but many have sought to combine these worlds entering theatre through their fiction setting stages on their novels pages and casting actors directors and playwrights as their protagonists. The Routledge Companion to Theatre Fiction has convened an international community of scholars to explore the remarkable array of novelists from many eras and parts of the world who have created fiction from the stuff of theatre asking what happens to theatre on the pages of novels and what happens to novels when they collaborate with theatre. From J W Goethe to Louisa May Alcott Mikhail Bulgakov Virginia Woolf and Margaret Atwood some of history's most influential novelists have written theatre fiction and this Companion discusses many of these figures from new angles. But it also spotlights writers who have received less critical attention such as Dorothy Leighton Agustín de Rojas Villandrando Ronald Firbank Syed Mustafa Siraj Li Yu and Vicente Blasco Ibañez bringing their work into conversation with a vital field. A valuable resource for students scholars and admirers of both theatre and novels. The Routledge Companion to Theatre Fiction offers a wealth of new perspectives on topics of increasing critical concern including intermediality theatricality antitheatricality mimesis diegesis and performativity.

**The Fetishist** Katherine Min, 2024-01-09 An Indie Next Pick. In this hilariously savage poignant novel by acclaimed author Katherine Min a grieving daughter's revenge on the man who caused her mother's death sets off a series of unexpected reckonings. On a cold gloomy night twenty-three year old Kyoko stands in the rain with a knife in her hoodie's pocket. Her target is Daniel who seduced Kyoko's mother then callously dropped her leading to her death. But tonight there will be repercussions. Following the unsuspecting Daniel home Kyoko manages to get a rash kidnapping plot off the ground and then nothing goes as planned. *The Fetishist* is the story of three people: Kyoko a Japanese American punk rock singer full of rage and grief; Daniel a philandering violinist forced to confront the wreckage of his past; and Alma the love of Daniel's life a Korean American cello prodigy long adored for her beauty passion and talent but who spends her final days examining if she was ever truly loved. An exuberant provocative story that confronts race complicity visibility and ideals of femininity. *The Fetishist* was written before the celebrated author's untimely death in 2019. Startlingly prescient as wise and powerful as it is utterly delightful this novel cements Katherine Min's legacy as a writer with a singular voice for our times.
