## **A Random Figurine A Random Figurine:**

No Going Back D. T. Adams, Has a photo ever ruined your life These days it can happen to anyone We live in a world where billions of photos are taken every day and loads of them end up online for anyone to see Most are harmless Some can have devastating effects and even wreak havoc on a person s life Meet Brian Weathers an anonymous writer whose books are quite popular He could be famous if he wanted but fame is something he s always avoided at all costs All he wants is a quiet private life where no one ever recognises him However he s well aware of the staggering power a photo can have thanks to social media and the internet He knows just a single photo can turn someone who s little known into someone famous To protect himself against this he publishes under a pen name and has only told close friends and family about his writing He s never had the courage to step into the spotlight So what s going to happen when a photo threatens to reveal his identity and shatter his privacy Is a crisis looming for him Will he have a meltdown If you re after a modern day novel with a rebellious main character you ll enjoy No Going Back What disastrous effects can one photo have Buy now and find out

*Stop Saying I'm Fine* Taylor Joy Murray,2022-08-11 There is a deep well of pain loneliness self loathing trauma and shame sitting behind the happy smiles and filtered social media feeds that so often characterize our generation Many of us have become experts at pretending we re fine Our shiny social media feeds and screen deep smiles certainly give off a happy illusion But we are not fine Taylor has heard countless stories from her generation of our fetal positions on cold tile floors immobilized by anxiety She personally knows this place well At eighteen she too found herself in an anxiety induced fetal position behind a locked bathroom stall wondering What did Jesus mean when he promised me full life Stop Saying I m Fine is a generational call to honesty healing and to a spiritual hunger that defies superficial Christianity and engages our deeper aches and heart questions In these pages we ll dig beneath the bedrock of our anxiety into the pain of our experiences Together we ll learn how to connect to the stillness that exists beneath the chaos and we ll find that the wholeness and healing we long for isn t as distant as it may seem For the young adult who feels trapped inside their anxiety For the parent or caregiver who aches to understand For the wounded heart that can t seem to move on For the weary one who has tried and failed a thousand other ways
