**A Really Super Book About Squirrels** Graham Taylor, 2013-02-05 Graham Taylor was sitting in his kitchen one morning contemplating the universe over a bowl of cold cereal when he noticed a squirrel outside the window the same squirrel he'd seen countless times before How nice it would be he thought if that squirrel could be my friend So he jotted down a few lines to that effect and displayed his creative endeavor on the fridge which is where his friend Graham Roumieu spotted it Roumieu illustrated these meandering thoughts and urged Taylor to do more The rest as they say is history A Really Super Book About Squirrels is a quirky little humor book that combines art and words into a collection that will appeal to both the squirrel lovers and squirrel haters among us It's a tongue in cheek tribute to that backyard rodent that we really want to like
