American Academy of Arts and Sciences,1895 **The Guardians' Daughter** A.M. McPherson,2021-09-21 In a world full of superhuman abilities not all dream of being a hero Ember s life is turned upside down the day villains brutally murder her parents No one comes to their aid including their comrades the other Guardians She loses her trust in the supposed heroes

and vows to never follow in her parents footsteps A dark secret looms in Aiden s past and he aspires to become a Guardian as a way to cope At university he meets Ember and an undeniable spark ignites between them But Aiden wrestles with his developing feelings for her and as they grow closer unexpected dangers threaten their bond including his secret Aiden struggles to open up about his past to Ember since it would reveal a troubling link to her parents murders and Ember finds herself questioning everything she believes to be true about Guardians Not only could Aiden s secret tear them apart but it may also lay the foundation for the Guardians undoing A M McPherson breaks onto the literary scene with a coming of age story full of romance suspense and mystery Fans of Renegades and My Hero Academia will enjoy this fresh take on a superhero world

The Commercial Use of Biodiversity Kerry Ten Kate,Sarah A Laird,2019-09-18 Originally published in 1999 The Commercial Use of Biodiversity examines how biodiversity and the genetic material it contains are now as valuable resources Access to genetic resources and their commercial development involve a wide range of parties such as conservation and research institutes local communities government agencies and companies Equitable partnerships are not only crucial to conservation and economic development but are also in the interests of business and often required by law In this authoritative and comprehensive volume the authors explain the provisions of the Convention on Biological Diversity on access and benefit sharing the effect of national laws to implement these and aspects of typical contracts for the transfer of materials They provide a unique sector by sector analysis of how genetic resources are used the scientific technological and regulatory trends and the different markets in Pharmaceuticals Botanical Medicines Crop Development Horticulture Crop Protection Biotechnology in fields other than healthcare and agriculture and Personal Care and Cosmetics Products This will be an essential sourcebook for all those in the commercial chain from raw material collection to product discovery development and marketing for governments and policy makers drafting laws on access and for all the institutions communities and individuals involved in the conservation use study and commercialisation of genetic resources

The Guardians' Secret A.M. McPherson,2024-04-16 Villains aren t the only ones good at keeping secrets Months ago Black Mold and his gang of villains attacked the city of Stalwarth leaving mass destruction in their wake Little did Ember and Aiden know it was just the beginning of the villains plans Ember is determined to uncover the truth about her parents murders But as she unearths secret after secret Ember wonders who she can trust Are the Guardians truly selfless heroes or are they just as conniving as the villains they fight Meanwhile Aiden s dream of becoming a Guardian is turning into a nightmare His power grows alongside his anger Is he cracking under the pressure or is something more nefarious at play Ember and Aiden promised each other nothing would tear them apart as they try to solve the secrets surrounding them But to keep that promise they ll have to risk the lives of those they love the most
