## **A Remarkable Kindness:**

**A Remarkable Kindness** Diana Bletter, 2015-08-11 A story about the bonds of friendship and family With lush and insightful prose a foreign landscape and culture becomes warm and familiar Amy Sue Nathan author of *The Good Neighbor* and *The Glass Wives* It's 2006 in a seaside village in Israel where a war is brewing Lauren Emily Aviva and Rachel four memorable women from different backgrounds are living abroad in the coastal town Lauren a maternity nurse loves her Israeli doctor husband but struggles to make a home for herself in a foreign land miles away from her beloved Boston Seeking a fresh start after divorce her vivacious friend Emily follows Strong sensuous Aviva brought to Israel years earlier by intelligence work has raised a family and now lost a son And Rachel a beautiful idealistic college graduate from Wyoming arrives with her hopeful dreams The women forge a friendship that sustains them as they come to terms with love and loss and the outbreak of war Their intimate bond is strengthened by their participation in a traditional ritual that closes the circle of life As their lives are slowly transformed each finds unexpected strength and resilience Brimming with wisdom rich in meaningful insights *A Remarkable Kindness* is a moving testament to women's friendship illuminating a mostly unknown ritual that underscores what it means to truly be alive [Jonathan Edwards: Writings from the Great Awakening \(LOA #245\)](#) Jonathan Edwards, 2013-10-17 A collection of writings from and about New England's Great Awakening a spiritual movement that gave rise to American evangelicalism from the theologian and philosopher who first reported it to the masses Jonathan Edwards 1703-1758 is recognized today as a great theologian and philosopher In his own day Edwards was best known as a leader of what is now known as the Great Awakening a series of small town revivals that mushroomed into a movement credited with giving birth to American evangelicalism and laying the groundwork for the American Revolution In authoritative texts drawn from first editions and manuscript sources this volume brings together all of Edwards's essential writings from and about the revivals including the famous sermon *Sinners in the Hands of an Angry God* and his vivid *Faithful Narrative of the Surprising Work of God in the Conversion of Many Hundreds of Souls* the work that first publicized the awakenings Characterized by precise logic and powerful imagery his writing continues to inspire students and spiritual seekers alike LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing and keeping permanently in print America's best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1,000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries [The Freedom of Virtue](#) Tom Edwards, Cosimo Chiera, 2019-05-31 Come on a journey with two travellers not virtuous just trying to be Virtue is not for everyone and many people find their happiness in the green valleys of life But for those of us with a little chutzpah a summit looms high above and time is of the essence What makes a person no matter their background intelligence or resilience stand out from the crowd to display excellence in the art of living It was this question

that led two friends a behavioural neuroscientist turned counsellor and a mathematician both experienced academics and educators to embark on a journey of discovery into the ingredients for human excellence The dish they found is called virtue Virtue sits in the background of daily life yet influences everything we say and do It is about a person s style and substance in spite of their physical strength or intellect Virtue is for us all not only for the strong and the smart So how do we attain a life of excellence amidst a modern world that has provided so many technical advances yet in which we still suffer so much anxiety depression obesity and conflict The authors argue our need to always feel comfortable if not happy has robbed us of achieving excellence in our own lives Taking an evidence based approach they examine research findings from positive psychology anthropology and biology and delve into the tenets of religion and philosophy to identify six virtues which are foundational to our humanity and which orientate each of us to our best lived life Cutting across cultural and religious barriers this unique book provides readers with practical tools in the daily art of living useful to parents teachers mental health professionals community workers and business leaders Create your own clear path to a life of excellence through virtue
