Spending Time with God

Mark Gilroy,1987

Contemplative Youth Ministry

Mark Yaconelli,2011-03-22 Contemplative Youth Ministry is refreshing rain

for dry youth workers and barren youth ministries More than the same old youth ministry tips and tricks it gives principles and practices to soak in God s grace love and power I wish I had read it 15 years ago Kara Powell Ph D executive director Center for Youth Ministry and Family Ministry Fuller Theological Seminary Mark invites readers to be encountered by the presence of Jesus who is always near This book is transparent about the challenges that churches and families face as they desire to be effective in youth ministry The book is filled with the honest stories of different kinds of youth ministries

representing the breadth of Christianity in the United States I heartily endorse Contemplative Youth Ministry as a rich encounter with the souls of youth and adults whose lives have been transformed by our very present God Bill Kees director of youth ministries Evangelical Lutheran Church in America ELCA Mark Yaconelli not only reminds us of some of the long forgotten pathways of faith he shares with us how it actually looks when men and women who love God practice it with young people I especially appreciate Mark s optimism in his perspective of today s kids for his insights are grounded in God s view of them Chap Clark Ph D associate professor of youth family and culture Fuller Theological Seminary Mark Yaconelli was experimenting with contemplative youth ministry practices before contemplative youth ministry practices became cool This book has about it the unique air of authenticity He shares with us in these pages his own journey as a youth worker who actually believes that God s still small voice speaks louder than the roaring windstorm of our busy youth ministry calendars It s a book about creating for our students places of silence and opening up spaces for God to speak Duffy Robbins professor of youth ministry Eastern University author of Enjoy the Silence and This Way to Youth Ministry Mark Yaconelli has emerged as one of youth ministry s most provocative voices in the wilderness calling us back to our theological taproots The

contemplative practices that bind our lives to the life of Christ If Mark s research has taught us anything it s that these practices do not cause youth ministry to take flight into a spiritual never never land rather they anchor young people and their churches in the fertile soil of Christian tradition in the nitty gritty of daily life and in the explosive transformation that awaits us when we wait upon God Kenda Creasy Dean parent pastor and professor of youth Princeton Theological Seminary author of Practicing Passion Youth and the Quest for a Passionate Church
