A Natural History Of Homosexuality:

A Natural History of Homosexuality Francis Mark Mondimore, 1996-10-30 And he focuses on the process by which individuals come to identify themselves as homosexual the sensitivity of children to their own sexual identities and the psychological effects of the stigmatization of homosexuality on adolescents *How to Build LGBTQ+ Inclusive Workplaces* Binna Kandola, Ashley Williams, 2025-03-25 Bringing together the latest research with practical insights from the authors professional experience this important book provides a context for the conversations that are needed within organisations and offers practical guidance towards action that can be taken to improve the working life of LGBTQ employees The book begins by asking how we got here It outlines the development of stigma towards the LGBTQ community from both a historical and psychological perspective before going on to explore the ways in which societal attitudes manifest in the work environment It then looks specifically at LGBTQ experiences in the workplace covering discrimination and exclusion and their impact at both an individual and organisational level before taking an intersectional view of LGBTQ identity and particularly how it interacts with race disability and age The book then provides clear and practical guidance on how to build an LGBTQ inclusive workplace covering organisational policy and culture leadership and allyship Throughout the authors use case studies to demonstrate how to implement policies across a range of regions and offer strategies to minimise homophobic and discriminatory attitudes Taking a psychological approach to this important topic the book is essential reading for all those looking to build and sustain welcoming and inclusive workplaces across all sectors It will also be of interest to students in psychology management and human resources studying workplace attitudes and culture [The Moral Defense of Homosexuality](#) Chris Meyers, 2015-05-14 Chris Meyers takes the reader on a careful rational sustained criticism of arguments about the immorality of homosexuality Meyers refutes anti gay arguments by showing that they are based on unreasonable or demonstrably false ideas about the nature of morality Working through the morality arguments against homosexuality Meyers shows how the nature of morality demands impartial overriding reasons to act He argues that morality is not grounded in visceral feelings of disgust commands from the scriptures or mysterious Platonic essences In clear convincing discussion Meyers examines morality to promote the moral logic of granting rights to all people no matter their sexual orientation ***Illness, Disease and Death in the Poems of Constantine Cavafy*** Iakovos Menelaou, 2022-07-28 Constantine Cavafy s preoccupation with the fragility of the human condition and his attention to illness disease and death old age alcohol consumption and homosexuality continue to attract and challenge his readers In turning anew to these themes this book draws on the medical humanities to provide a new and integrated framework The medical humanities provide us with a new framework through which Cavafy s poetry can be investigated not only by scholars in literary studies and world literature but also by medical practitioners and researchers in the history of medicine ***When Your Spouse Has a Stroke*** Sara Palmer, Jeffrey B. Palmer, 2011-04-15 A stroke can alter two people s lives in an instant For the person

who has had a stroke simple tasks suddenly become difficult or impossible For that person s partner life seems to revolve mostly around the stroke survivor s needs Such a drastic change naturally requires making many sometimes taxing adjustments In this book two experts in stroke recovery help couples deal with the impact of stroke on their lives and their relationship Drs Sara and Jeffrey Palmer explain how to overcome three major challenges providing quality care for your partner maintaining or rebuilding your relationship caring for yourself as an individual The book invites you into the lives of real couples who are themselves coping with these challenges Their experiences model how you can improve essential aspects of your relationship including communication roles and responsibilities and sexuality A list of practical tips summarizes each chapter providing a handy reference guide to meeting each day s challenges More than just a discussion of the medical and practical aspects of stroke and stroke recovery this book focuses on the emotional psychological and social consequences of stroke and the deeply personal side of caregiving When Your Spouse Has a Stroke will relieve your burden and strengthen your partnership

The Natural History of Evil Adam Gowans Whyte,1920 What's Love Got to Do with It? Meredith Small,2011-09-07 In this refreshingly down to earth exploration of human mating and sexuality an acclaimed anthropologist looks at why we fall in love with the people we do A personal feminist take on the mating game Scientific American An acclaimed anthropologist looks at the fascinating intersection between the imperatives of our glands and genes and the culture in which we live Why do we fall in love with the people we do Is there an alternative more feminist way to interpret traditional human sexual biology and evolution These are but a few of the questions that anthropologist Meredith Small explores in her compelling book on human mating What s Love Got to Do with It
