## **A Paradigm Of The Divine:**

**A Paradigm of the Divine** J. Harris Gabbidon,2000-12 For centuries mankind has been taught to view the divine from an established point of view to the extent that any attempt to explore the Divine from a totally different angle could be regarded as blasphemous This book attempts to position the reader at an unusual angle to enable him to see the Divine from an unusual perspective Viewing the Divine from such an unusual perspective the reader would be able to see the errors in mankind's beliefs about the Divine as well as the hidden identities of such Divine personalities like the Prophet Elijah John the Baptist and Jesus Christ including secular personalities like Abraham Lincoln and John F Kennedy The errors in our beliefs about the Divine are expressed in satire and are meant to elicit humor particularly for those who falsely claim Christhood The book also attempts to bring out the common denominators between human and Divine endeavors

**Journal of Biblical and Theological Studies, Issue 7.2** Daniel S. Diffey, Ryan A. Brandt, Justin McLendon, 2023-09-15 The Journal of Biblical and Theological Studies (JETS) is an academic journal focused on the fields of Bible and Theology from an inter-denominational point of view. The journal is comprised of an editorial board of scholars that represent several academic institutions throughout the world. JETS is concerned with presenting high level original scholarship in an approachable way. Academic journals are often written by scholars for other scholars. They are technical in nature assuming a robust knowledge of the field. There are fewer journals that seek to introduce biblical and theological scholarship that is also accessible to students. JETS seeks to provide high level scholarship and research to both scholars and students which results in original scholarship that is readable and accessible. As an inter-denominational journal, JETS is broadly evangelical. We accept contributions in all theological disciplines from any evangelical perspective. In particular we encourage articles and book reviews within the fields of Old Testament, New Testament, Biblical Theology, Church History, Systematic Theology, Practical Theology, Philosophical Theology, Philosophy, and Ethics.

*Divine Paradigm* William C. Bartlett, 2014-07-14 *Divine Paradigm* highlights the difference a worldview makes when facing life's daily challenges. Part One defines what a worldview is and explains how a worldview provides a paradigm for all of life and describes current worldviews vying for our embrace and allegiance. Part Two addresses specific topics that are in crisis in our current culture and that confront each of us daily. Each of the 19 topical chapters follows a pattern of identifying and describing the topic and then presenting a biblical paradigm as a solution or at the least a consideration for the topic. Topics range from vocations to making important decisions, education to dating, morality to marriage, parenting to dealing with illness and grief, and more. An interesting read, I enjoyed reviewing and working on it. *Divine Paradigm* is erudite in its content and style yet accessible enough to appeal to a wide audience. The author demonstrates authority in the subject while remaining humble in tone, allowing him to connect with the reader in applying these biblical truths. At first glance, it's a powerful book that successfully combines biblical wisdom with life experience in a cohesive, convincing whole. Well done, David professional editor! This book is intended for personal growth and

is practical for small group use William Bartlett has served as a parish pastor for 29 years and as the founding executive director of Crean Lutheran High School Irvine CA for nine years The common denominator of Pastor Bartlett s ministry in both congregation and school has been a love for Jesus Christ and the Bible both of which reveal God s gift of salvation and His paradigm for life

**The Way of the Platonic Socrates** S. Montgomery Ewegen,2020-09-01 This extraordinary new work by the philosopher and author of Plato s Cratylus has given us nothing less than a radically new Socrates Michael Naas author of Plato and the Invention of Life Who is Socrates While most readers know him as the central figure in Plato s work he is hard to characterize In this book S Montgomery Ewegen opens this long standing and difficult question once again Reading Socrates against a number of Platonic texts Ewegen sets out to understand the way of Socrates Looking closely at the Socrates that emerges from the dramatic and philosophical contexts of Plato s works Ewegen considers questions of withdrawal retreat powerlessness poverty concealment and release and how they construct a new view of this powerful but strange and uncanny figure Ewegen s withdrawn Socrates forever evades rigid interpretation and must instead remain a deep and insoluble question

*A Biblical Approach to Mission in Context* Michael Ufok Udoekpo,2022-12-19 A Biblical Approach to Mission in Context is an erudite collection of twenty essays with forewords and epilogue produced to honor Professor Teresa Okure s contribution to the study of biblical theology in context It also stands in its own right as a vade mecum of current trends in biblical scholarship gender and contextual hermeneutics Written by an international array of respected scholars Okure s colleagues former students siblings and fellow commentators this volume includes detailed exegetical studies discussion on theological methods and contextual approaches from a variety of standpoints and an effort to relate biblical exegesis theology and inculturation faith hermeneutics to the current interest in social contextual interpretation that reflects values beyond the African context In sum the breadth of interests and enthusiasm found in this volume is a testimony to the intellectual and pastoral vitalities and passion that Teresa Okure herself brought to the discipline of biblical studies The brief narrative of personal encounter written by Bernadette Okure SHCJ forewords by John Cardinal Onaiyekan and Bishop Camillus Raymond Umoh as well as an insightful epilogue by Fr Aniedi Okure OP provide additional insight into the historical and socio cultural contexts within which Okure s formation and contributions unfolded

**A Scriptural Theology of Eucharistic Blessings** Susan I. Bubbers,2013-09-12 This study examines the scriptural justification for believers to expect the Eucharist to be a place where God will come and bless them with freedom and formation Bubbers focus is not on liturgy but rather on the biblical message of the benefits of participation in the Eucharist Why keep this Feast Why is Eucharist important Bubbers interpretive approach is a synthesis of historical literary aspects of Biblical Theology and canonical creedal aspects of the Theological Reading of Scripture taking into account the biblical historical place of Eucharist as well as its ongoing presence within the Church Bubbers begins by displaying the Last Supper as a Passover meal which bridges between Old Testament motifs and the New Testament Feast She then shows that the

Exodus context reveals a paradigm which links blessing with remembrance and suggests that the remembrance motif describes these blessings Finally Bubbers gathers a catalogue of specific blessings summarized by freedom and formation Her conclusion is that the Feast is a divinely designed paradigm for worship which is accompanied by a promise of transformational encounters

**The Works of Orestes A. Brownson: Philosophy of religion** Orestes Augustus

Brownson,1883 **Towards a science of ideas: An inquiry into the emergence, evolution and expansion of ideas and their translation into action** Guido Enthoven,Seweryn Rudnicki,Rico Sneller,2022-08-02 Ideas are the basic building blocks that construct the world we live in Yet despite the abundance of literature on creativity and innovation there has been little reflection on ideas as such their nature and their working mechanisms This book provides foundations for a reflection focused specifically on ideas what they are how they emerge develop interact gain acceptance and become translated into actions In doing so the book moves beyond the mainstream approaches offering new promising theoretical angles presenting original findings and initiating a research agenda for a science of ideas This book provides a fresh perspective on how to conceptualize and study ideas and their working mechanisms by treating ideas as the main object of the study and by bringing together a group of original thinkers scholars and philosophers to move beyond the mainstream academic discourse on creativity and innovation

**A Man Attested by God** Kirk,2016 Thought provoking alternative perspective on the full humanity of Jesus Christ In A Man Attested by God J R Daniel Kirk presents a comprehensive defense of the thesis that the Synoptic Gospels present Jesus not as divine but as an idealized human figure Counterbalancing the recent trend toward early high Christology in such scholars as Richard Bauckham Simon Gathercole and Richard Hays Kirk here thoroughly unpacks the humanity of Jesus as understood by Gospel writers whose language is rooted in the religious and literary context of early Judaism Without dismissing divine Christologies out of hand Kirk argues that idealized human Christology is the best way to read the Synoptic Gospels and he explores Jesus as exorcist and miracle worker within the framework of his humanity With wide ranging exegetical and theological insight that sheds startling new light on familiar Gospel texts A Man Attested by God offers up to date provocative scholarship that will have to be reckoned with
