**INTERVIEW WITH THE AUTHOR**

**Q** How did you come up with The Irish Cottage Juliet Well the story came together in pieces I love Ireland I've always been attracted to the country the people the music the dancing I've spent time traveling the country so I knew I wanted to set the book there And then the character of Elizabeth was based on a lot of the experiences I had when I was in law in San Francisco When I was immersed in that world it was a very dark time and I really did lose my way like Elizabeth I even let long time relationships die because I was in such a dark place it was difficult to see anything past my own nose So yeah I knew I wanted my heroine to be a recovering attorney and I knew that I wanted her to have this great love affair in Ireland that would open her up to the truly great possibilities life has to offer

**Q** And what about Connor Bannon Is he based on anyone Juliet Ummm he might be an amalgamation of several people but I think I'll refrain from commenting further have to keep some of it to myself don't I

**Q** Why did you elect to write romantic women's fiction as opposed to traditional contemporary romance Juliet I knew I wanted to write in the romantic women's fiction space because writing a story where the heroine's evolution is paramount not just her relationship with Connor is what really gets me drives me I love those types of stories I like writing herstory women's lives and journeys are so complex I wanted to write a series that included a great love story but didn't sacrifice the heroine's journey in any way It's about Elizabeth finding her way we all need to find our way Sometimes people help with that but ultimately each of us has to find our own path and we all need love too

**Q** Why London and then Paris Juliet I lived in London for a time I love it so much It's one of the best cities on the planet really When I closed my eyes and thought about where Elizabeth's journey would take her I knew London would be next And Paris I lived in France for a time as well and I've spent a lot of time in Paris so it seemed only natural for the final book to be set there I also set certain things in motion in The Irish Cottage that make it impossible to end anywhere else I knew I wanted to end it in France Plus Elizabeth has a major sweet tooth like me and Paris has the most amazing dessert masters in the world I spent many hours pouring over the websites of my favorites and discovering some new ones Those were the hardest and best research nights I'm nocturnal I write at night and pouring over the websites of my favorite

masters was heaven and hell I wanted to get on a plane already My sugar intake definitely went up while I was writing *The Paris Apartment* and my waistline with it [Paris Time Capsule](#) Ella Carey,2016-10-26 A stunning novel about a long forgotten Paris apartment based on a true story New York based photographer Cat Jordan is ready to begin a new life and home with her boyfriend But when she learns that she s inherited the estate of a complete stranger a woman named Isabelle de Florian her life is turned upside down Cat arrives in Paris to find that she is now the owner of a perfectly preserved Belle epoque apartment in the ninth arrondissement and that the Frenchwoman s family knew nothing about this secret estate Amid these strange developments Cat is left with burning questions Who was Isabelle de Florian And why did she leave the inheritance to Cat instead of her own family As Cat travels through the south of France in search of answers she feels her grasp on her New York life starting to slip With long buried secrets coming to light and an attraction to Isabelle de Florian s grandson growing too intense to ignore Cat will have to decide what to let go of and what to claim as her own *The Thousand and One Nights and Twentieth-Century Fiction* Richard van Leeuwen,2018-07-17 It is gradually being acknowledged that the Arabic story collection *Thousand and One Nights* has had a major influence on European and world literature This study analyses the influence of *Thousand and One Nights* as an intertextual model on 20th century prose from all over the world Works of approximately forty authors are examined those who were crucial to the development of the main currents in 20th century fiction such as modernism magical realism and post modernism The book contains six thematic sections divided into chapters discussing two or three authors works each from a narratological perspective and supplemented by references to the cultural and literary context It is shown how *Thousand and One Nights* became deeply rooted in modern world literature especially in phases of renewal and experiment *The Paris Apartment* Sophia Karlson,2018-09-30 James Sinclair a successful trader keeps his busy life uncomplicated Work is about all he has time for Imagine his surprise when he returns to his Paris apartment to find his little sister s best friend Mila Johnson in his bed One night of fooling around opens a Pandora s box which Mila just wants to pry open wider whereas James just wants to keep the lid on tight Mila is sweet and innocent and no way is he going to expose her to the real James Sinclair As his relationship status changes to complicated James struggles to keep control over his past and his heart Mila s teenage fantasy is still larger than life but James swings between hot and cold Now that she has him between the sheets Mila will do anything to keep him there **Encyclopedia of the Novel** Paul Schellinger,2014-04-08 *The Encyclopedia of the Novel* is the first reference book that focuses on the development of the novel throughout the world Entries on individual writers assess the place of that writer within the development of the novel form explaining why and in exactly what ways that writer is important Similarly an entry on an individual novel discusses the importance of that novel not only form analyzing the particular innovations that novel has introduced and the ways in which it has influenced the subsequent course of the genre A wide range of topic entries explore the history criticism theory production dissemination and reception of the novel A very
