A Pilgrim In Chinese Culture Negotiating Religious Diversity:

A Pilgrim in Chinese Culture Judith A. Berling, 2005-06-07 This engaging book on Chinese religion and culture by Judith Berling has been welcomed by longtime scholars of the same as a vital and fresh perspective. *A Pilgrim in Chinese Culture* is a story of faith meeting faith that will enrich wisdom seekers as well as provide a tool to introduce students to cross cultural and interfaith issues. Berling tells how she became immersed in the issues of religious diversity of her experiences living with religious neighbors and of discovering how different from her own Midwestern Protestant milieu is the world of Chinese religion and culture. In China one can be Buddhist, Confucianist, Taoist, and animist at a single moment. Exploring how this inclusivity can be achieved infuses *A Pilgrim in Chinese Culture*. The multiplicity of deities, the notion of Truth as having many embodiments, even patterns of hospitality, Berling examines how these key aspects of Chinese culture shape and inform religion in China. Through the tales it tells, *A Pilgrim in Chinese Culture* offers readers insights that no textbook can match, bringing home what religious diversity means in surprising and illuminating ways.

Berkeley Journal of Religion and Theology, Vol. 2, No. 1 BJRT GTU, 2016-11-06 Berkeley Journal of Religion and Theology Vol 2 No 1 This is the regular issue Journal. Featuring 2015 Distinguished Faculty lecture, the 2016 Readings of the Sacred Texts Lecture, and the 2016 Surjit Singh Lecture as well as articles by Shin Young Park, Brent Lyons, Wesley Ellis, and Jessica Tinklenberg. Featuring several book reviews as well.

Interreligious Pedagogy Jung Eun Sophia Park, Emily S. Wu, 2018-06-20 This volume is a collection of essays by former students of Judith Berling based on her revolutionary interreligious pedagogy. Her pedagogy can be summarized as a student-centered, collaborative, and engaging teaching and learning process sparked by various ways of boundary crossing. In this enterprise, each chapter explores the importance of understanding and negotiating differences through dialogue. The authors provide theoretical frameworks for engagements across conventional borders and explore how the collaborative teaching model can be utilized in various teaching settings. As an example of her dialogical approach, Judith Berling herself provides a response to the chapters.

The Cambridge Companion to Feminist Theology Susan Frank Parsons, 2002-07-04 Feminist theology is a significant movement within contemporary theology. The aim of this Companion is to give an outline of feminist theology through an analysis of its overall shape and its major themes so that both its place in and its contributions to the present changing theological landscape may be discerned. The two sections of the volume are designed to provide a comprehensive and critical introduction to feminist theology which is authoritative and up to date. Written by some of the main figures in feminist theology as well as by younger scholars who are considering their inheritance, it offers fresh insights into the nature of feminist theological work. The book as a whole is intended to present a challenge for future scholarship since it critically engages with the assumptions of feminist theology and seeks to open ways for women after feminism to enter into the vocation of theology.

Conversion of Chinese Students in Korea to Evangelical Christianity Chang Seop Kang, 2022-01-28 Currently about 6 percent of the eighty thousand Chinese college students in Korea are

Christians certainly no small number considering their future role within the Chinese Church In this study Chang Seop Kang seeks to find out the factors process and types concerning the conversion of thirty Chinese international students This qualitative study gives a rich picture of their conversion stories providing many examples from their insider perspectives The key finding connecting these stories is experiencing God Overall this book showcases how an inductive data analysis such as grounded theory can produce a powerful message that affirms biblical truth *A Garland of Feminist Reflections* Rita M. Gross,2009-03-05 Rita M Gross has long been acknowledged as a founder in the field of feminist theology The essays in this book represent the major aspects of her work and provide an overview of her methodology in women s studies in religion and feminism Moral Triumph Zhibin Xie,2023-01-17 This book addresses the issue of Christianity in public life in China through methodological and constructive approaches It aims to answer the following questions How does Christianity with its moral and spiritual resources engage in and contribute to public life in China How does Christianity operate amidst a background of religious diversity cultural and social dynamics and political realities in China The distinctive contribution of this book is that it moves beyond simple description and evaluation of what is happening in Chinese Christianity toward a constructive theology for the distinctive realities of Chinese culture society and politics This book proposes Christian public responsibility in order to identify the moral problems in Chinese public life It attempts to enhance a public face of Christianity in China theologically and ethically by activating Christian resources in response to public life and highlighting Christianity s moral impact on the state and civil society without the imposition of confessional bonds or the exercise of authoritarian control quoted from Abraham Kuyper This book relies on both methodological and constructive approaches to define the meaning of public theology while making theological efforts to engage in public issues constructively in the Chinese context Besides the Western Christian public theologians such as Kuyper Reinhold Niebuhr and Nicholas Wolterstorff this book extensively refers to Chinese resources such as Christian thinkers philosophers and social scientists etc to perceive public theology in China This new formulation of Christian public theology in China desires to engage with Chinese experiences struggles traditions and ideology such as Confucianism and communism when investigating moral responses to public issues such as social justice human rights and religious freedom A Christian co construction with philosophical and social scientific perspectives on public life will lead to the modification of moral vocabulary in Chinese public life *Journal of Chinese Religions* ,2001 **Finding God Among our Neighbors, Volume 2** Kristin Johnston Largen,2017-02-01 For too many students Christian theology is learned in isolation from other religions traditions With this the second volume of her important work Kristin Johnston Largen returns to expand the systematic theology she began in the original volume Largen places the work of Christian theology soundly within the interreligious dialogue that is the defining feature of our time In doing so she prepares students of theology for the task of understanding and articulating their Christian beliefs in the context of a religiously and culturally diverse world In the original volume Largen focused her work

on three loci God Creation and Humanity In this second volume she expands the project to include salvation the Church and the Holy Spirit As before each locus is set within the broader context of interreligious dialogue by considering how the varied beliefs of the world's religious traditions inform our understanding of our own tradition This volume explores indigenous religions Sikhism Confucianism and Daoism in particular *A Pilgrim in Chinese Culture* Judith A. Berling, 1997 Judith Berling tells how she became immersed in the issues of religious diversity of her experiences living with religious neighbors and of discovering how different from her own Midwestern Protestant milieu is the world of Chinese religion and culture In China one can be Buddhist Confucianist Taoist and animist at a single moment Exploring how this inclusivity can be achieved infuses *A Pilgrim in Chinese Culture* The multiplicity of deities and notion of Truth as having many embodiments even patterns of hospitality Berling examines how these key aspects of Chinese culture shape and inform religion in China Through the tales it tells *A Pilgrim in Chinese Culture* offers readers insights that no textbook can match bringing home what religious diversity means in surprising and illuminating ways *Understanding Other Religious Worlds* Judith A. Berling, 2004 This book articulates a learning process to help educators improve approaches to other religious traditions *Understanding Other Religious Worlds* distinguishes between learning facts about other religions and understanding them and their followers in a wholistic manner Berling argues that incorporating the religious other in one's own Christian identity is integral to living an authentic Christian life **BOOK JACKET Title Summary** field provided by Blackwell North America Inc All Rights Reserved **Asian Christian Theologians in Dialogue with Buddhism** Kenneth Fleming, 2002 This book is a study of three of Asia's most respected contemporary theologians Kosuke Koyoma Choan Seng Song and Aloysius Pieris It gives an introduction to Asian Buddhism and the Christian dialogue with Buddhists in Asia Furthermore it examines the work of each theologian in detail looking at the method and content of their dialogue and outlining its impact upon their respective theologies The book provides a critique of their dialogue and engages with the theological issues that have emerged In areas such as religious identity theological method and liberation theology it is shown that their conversation with Buddhism contributes to the development of a genuinely Asian theology and moreover raises important challenges to the worldwide theological community churches and to those engaged in interreligious dialogue **Confucian Spirituality** Weiming Tu, Mary Evelyn Tucker, 2003 One of the most important works on Confucian religion ethics and spirituality The vibrant nature of the 2500 year old Confucian tradition is celebrated here Insights into this spiritual richness regarding topics such as self cultivation education family relationships social commitment and political engagement are now available for the first time in English **The Sacred Paths** Theodore M. Ludwig, 2001 For courses in Religions of the World History of Religions Comparative Religion and Introduction to Religious Studies in departments of Religion Religious Studies Theology and Philosophy Unique in approach this text combines an historical descriptive presentation of individual religions with a comparative thematic approach It begins with a discussion of the basic human

questions and concerns relating to religion e g origin and identity ultimate reality human nature and the good life and then uses these essential concepts to help describe the beliefs practices and historical development of each religion As the work of a single scholar much of it based on original research this book offers a consistency and depth missing in many of the texts in this field *The Chinese Historical Review* ,2007 The Myth of Religious Superiority Paul F. Knitter,2005 In this challenging book the leading exponents of the idea that all religions are a refraction of a truth no single tradition can exclusively reveal discuss what to make of that conviction in todays world of interreligious strife New in this book is the inclusion of authors from a variety of traditions including John Hick Rita Gross Arvind Sharma Roger Haight Dan Cohn Sherbok Mahmut Aydin The authors try to make the case that the next step in interreligious interchange ought to be the development of a multifaith pluralistic theology of religion *The Catholic Periodical and Literature Index* ,2000 **The Meaning of Life in the World Religions** Nancy M. Martin,Joseph Runzo,2000 This volume brings together some of the most distinguished thinkers in theield of theology to consider the question of the meaning of life in thearious global religions
