A Place Of Healing For The Soul Patmos:

A Place of Healing for the Soul Peter France, 2007-12-01 France's conversion is deeply touching. This is religious discovery for a postmodern generation. Philip Zaleski, Los Angeles Times. The tiny arid Greek island of Patmos is one of the most sacred places in the Christian world, a place of bewitching power where people come for a brief summer visit and end up returning year after year for the rest of their lives. They respond to an unexplainable force that they can find nowhere else. Perhaps it is the invigorating Greek light that infuses the Holy Island's rocks and hills with a breathtaking sharpness and clarity dating back to the time when Zeus raised the island from the bed of the sea. Or perhaps it is Patmos's incredible history. Almost two thousand years ago Saint John was exiled here and lived as a hermit in the cave of Revelation where he experienced a vision that led to the most famous piece of apocalyptic literature, the Book of Revelation. In *A Place of Healing for the Soul*, BBC commentator Peter France, who arrived on the island a hardened skeptic, tells how he came to change his life perspective. Learning from the island's gregarious inhabitants and its religious eccentrics, hermits, ascetics, monks, and nuns, he discovered the pleasure and security of living simply and doing without in a timeless realm where history, myth, and spirituality are endlessly alive. France, an erudite and amiable companion who spices his writing with self-deprecating wit and thoughtful commentary on the eternal mysteries of the universe, has created a delight for open even if skeptical minds.

Booklist [Encyclopedia of Sacred Places](#) Norbert C. Brockman, 2011-09-13 Now thoroughly revised and updated, this encyclopedia documents the diversity of shrines, temples, holy places, and pilgrimage sites sacred to the world's major religious traditions and illustrates their elemental place in human culture. As interest increases in the role of world religions in history and international affairs, the new edition of *Encyclopedia of Sacred Places*, which arrives 15 years after the publication of the original edition, provides new and updated information on site-specific religious practice and spiritually significant locations around the globe. While many of the entries describe specific places like the Erawan Shrine and the Rock of Cashel, others examine types of sacred sites, pilgrimages, and practices. With articles that describe both the places and their associated traditions and history, this reference book reveals the enormous diversity and cultural significance of religious practice worldwide. For students and teachers of classes ranging from high school geography to university-level courses in religious studies, geography, anthropology, and sociology, this book provides essential reference on places of great significance to the world's various faith traditions.

The Rough Guide to Greek Islands Rough Guides, 2012-05-04 Now available in ePub format. Now in its 8th edition, *The Rough Guide to the Greek Islands* is the definitive guidebook to this fantastic region. This full-color edition has been completely revamped and updated with new user-friendly accommodation and eating reviews and crystal-clear maps, but still holds onto all the best features of the guidebook, such as detailed background and a journalistic eye for detail. Get the low-down on island hopping from Corfu to K's, read insider tips on the best beaches to escape the crowds and discover the choicest resorts from boutique to backpacker.
