## **A Political Reading Of The Life Of Jesus:**

**A Political Reading of the Life of Jesus** George W Baldwin, 2006-10 For over 2000 years Christendom has made the life and teachings of Jesus irrelevant in the realm of politics. In challenging the oppressive systems of his day Jesus offered a compelling model for political action. His life is an example of the proper integration of politics and religion. The recognition that Jesus was the leader of a political insurrection is examined in relation to Christology, the doctrine of the Trinity, theories of atonement, love of neighbor and the role of the Christian church. There are two powerful themes in the Christian Bible: the Biblical theme of Salvation is the one the Church has always lifted up because it does not represent any threat to the Powers and domination systems; and the Biblical theme of Liberation is not generally promoted because it represents a genuine challenge to the Powers. By reflecting upon these two powerful Biblical themes, the reader will recognize the social political dimensions of his or her life while gaining a greater level of personal integrity. Brief dialogues called Credo to Credo are presented with persons who represent various facets of our culture.

*The Auburn Seminary Review*, 1904    *The Lectionary Commentary: Theological Exegesis for Sunday's Texts*, *The Third Readings*: Roger E. Van Harn, 2005-09-09

Preaching pastors, ministers and priests know how quickly Sundays come and go. The Lectionary Commentary will not slow the pace of the weekly calendar but it will help assure that sermon preparation begins with a solid engagement with Scripture. Designed to jump start the difficult task of sermon preparation, this indispensable three volume work gathers exegetical essays on biblical texts from the Revised Common Lectionary. Covering every Sunday of the three year liturgical cycle as well as Christmas Day, Epiphany and Ascension Day, the readings are arranged in canonical order so as to be of use to all preachers. Seventy eight pastors, priests and teachers from a variety of Christian traditions have contributed their insights to The Lectionary Commentary. Designed to answer the question, "What does the preacher need to know about this text in order to preach a faithful sermon from it?", each of their essays closely considers its specific biblical text all the while remaining alert to the contemporary context in which the sermon will be spoken and heard. The result is an invaluable resource that will aid in the difficult task of facilitating a meaningful encounter between Holy Scripture and our modern world. This volume, *The Third Readings: The Gospels*, provides exegetical commentary on the lectionary readings for the witnesses to Jesus Christ written by Matthew, Mark, Luke and John. Also unique to this volume is an excellent essay by C. Clifton Black on Augustinian preaching and the nurture of Christians. Consulting Editors: Richard A. Burridge, Thomas W. Gillespie, Colin E. Gunton, Robert W. Jenson, James F. Kay, Hughes Oliphant Old, Fleming Rutledge, Marguerite Shuster.
