Retribution James Mathew Justin, 2025-06-26 His son was taken He tried to build a life but they destroyed it The man must now return to the war torn world he left behind Once Victor Harrington a name feared and forgotten moved through the shadows of syndicates and empires He made the decision to live a peaceful life away from violence and bloodshed But Victor is forced to face the past when it resurfaces brutal and relentless He has to change into the man he promised never to be again in order to safeguard what remains

A Place of Healing for the Soul Peter France, 2007-12-01 France's conversion is deeply touching This is religious discovery for a postmodern generation Philip Zaleski Los Angeles Times The tiny arid Greek island of Patmos is one of the most sacred places in the Christian world a place of bewitching power where people come for a brief summer visit and end up returning year after year for the rest of their lives They respond to an unexplainable force that they can find nowhere else Perhaps it is the invigorating Greek light that infuses the Holy Island's rocks and hills with a breathtaking sharpness and clarity dating back to the time when Zeus raised the island from the bed of the sea Or perhaps it is Patmos's incredible history Almost two thousand years ago Saint John was exiled here and lived as a hermit in the cave of Revelation where he experienced a vision that led to the most famous piece of apocalyptic literature the Book of Revelation In *A Place of Healing for the Soul* BBC commentator Peter France who arrived on the island a hardened skeptic tells how he came to change his life perspective Learning from the island's gregarious inhabitants and its religious eccentrics hermits ascetics monks and nuns he discovered the pleasure and security of living simply and doing without in a timeless realm where history myth and spirituality are endlessly alive France an erudite and amiable companion who spices his writing with self-deprecating wit and thoughtful commentary on the eternal mysteries of the universe has created a delight for open even if skeptical minds
