A Preface To Paradise Lost:

A Preface to Paradise Lost C.S. Lewis, 2006-03 Since its publication in 1942 C S Lewis's *A Preface to Paradise Lost* has remained and continues to remain an indispensable introductory book for the study of *Paradise Lost*. Very briefly but with remarkable clarity and precision Lewis touches on all the important aspects of *Paradise Lost* form and technique structure and texture theological disputes and characterization etc. Lewis believes that a poem is a public activity through which the poet intends to move his readers. It is therefore extremely important to know the intention of the poet to know what the poem is what it was intended to do and how it is meant to be used. Accordingly Lewis tries to identify the originally intended meaning of the poem in order to help the reader to have an access to Milton's intentions. In the process the Elizabethan world order the contemporary theological issues the differences between *De Doctrina* and *Paradise Lost* critical opinions on Milton's style diction and characterizations particularly Satan Eve the angels and Satan's followers are all brought to bear on his discussions in the Preface. The book is a must for any student of *Paradise Lost*. *A Preface to Paradise Lost* C. S.

Lewis, 2022-08-16 In *A Preface to Paradise Lost* C S Lewis offers a profound analysis of John Milton's epic poem lending clarity to its intricate themes and theological underpinnings. He delves into the nature of good and evil the complexities of free will and the human condition all while situating Milton within the broader landscape of 17th century literature and the European Enlightenment. This work not only illuminates the textual subtleties of *Paradise Lost* but also encourages readers to ponder the ethical dilemmas present in the narrative of humanity's fall from grace. C S Lewis renowned for his contributions to both fiction and theology was profoundly influenced by the juxtaposition of faith and reason throughout his life. His scholarly background combined with his personal journey from atheism to Christianity cultivated a unique perspective that permeates this analysis. Lewis's engagement with Milton's text is reflective of his broader pursuits in exploring the intersections of literature spirituality and human existence. A Preface to Paradise Lost Clive Staples Lewis,1942 A Preface to Paradise Lost Clive Staples Lewis,1979 **A Preface to Paradise Lost** C. Lewis,2016-10-15 The first qualification for judging any piece of workman ship from a corkscrew to a cathedral is to know what it is what it was intended to do and how it is meant to be used After that has been discovered the temperance reformer may decide that the corkscrew was made for a bad purpose and the communist may think the same about the cathedral But such questions come later The first thing is to understand the object before you as long as you think the corkscrew was meant for opening tins or the cathedral for entertaining tourists you can say nothing to the purpose about them The first thing the reader needs to know about Paradise Lost is what Milton meant it to be This need is specially urgent in the present age because the kind of poem Milton meant to write is unfamiliar to many readers He is writing epic poetry which is a species of narrative poetry and neither the species nor the genus is very well understood at present The misunderstanding of the genus narrative poetry I have learned from looking into used copies of our great narrative poems In them you find often enough a number of not very remarkable lines underscored with pencil in the first two pages and all the rest of the book virgin It is easy to see what has happened The unfortunate reader has set out expecting good lines little ebullient patches of delight such as he is accustomed to find in lyrics and has thought he was finding them in things that took his fancy for accidental reasons during the first five minutes after that finding that the poem cannot really be read in this way he has given it up Of the continuity of a long narrative poem the subordination of the line to the paragraph and the paragraph to the Book and even of the Book to the whole of the grand sweeping effects that take a quarter of an hour to develop themselves he has had no conception The misunderstanding of the species epic narrative I have learned from the errors of critics including myself who sometimes regard as faults in Paradise Lost those very properties

which the poet laboured hardest to attain and which rightly enjoyed are essential to its specific delightfulness Our study of
Milton s epic must therefore begin with a study of epic in general **A Preface to Paradise Lost ; Being the Ballad**
