An Old-Fashioned Romance Marcia Lynn McClure, 2012-02 Life went along simply if not rather monotonously for Breck McCall Her job was satisfying and she had true friends But she felt empty as if part of her soul were detached and lost to her She longed for something something that seemed to be missing Yet there were moments when Breck felt she might almost touch something wonderful And most of those moments came while in the presence of her handsome yet seemingly haunted boss Reese Thatcher

Sweet Land of Liberty Rossi Anastopoulou, 2022-10-25 A delicious and delightful narrative history of pie in America from the colonial era through the civil rights movement and beyond With corresponding recipes for each chapter and sidebars of quirky facts throughout this book winner of the International Association of Culinary Professionals IACP Award for Best Literary or Historical Food Writing is an entertaining informative and utterly charming food history for bakers dessert lovers and history aficionados alike Ultimately the story of pie is the story of America itself and it's time to dig in From the pumpkin pie gracing the Thanksgiving table to the apple pie at the Fourth of July picnic nearly every American shares a certain nostalgia for a simple circle of crust and filling But America's history with pie has not always been so sweet After all it was a slice of cherry pie at the Woolworth's lunch counter on a cool February afternoon that helped to spark the Greensboro sit ins and ignited a wave of anti segregation protests across the South during the civil rights movement Molasses pie meanwhile captures the legacies of racial trauma and oppression passed down from America's history of slavery and Jell O pie exemplifies the pressures and contradictions of gender roles in an evolving modern society We all know the warm comfort of the so called All American apple pie but just how did pie become the symbol of a nation In *Sweet Land of Liberty* A History of America in 11 Pies award winning food writer Rossi Anastopoulou cracks open our relationship to pie with wit and good humor For centuries pie has been a malleable icon co-opted for new social and political purposes Anastopoulou traces the pies woven into our history following the evolution of our country across centuries of innovation and change Includes Illustrations

The McCall Trilogy Marcia Lynn McClure, 2012-02 The foundling desert fire She opened her eyes and beheld for the first time the face of Jackson McCall Ruggedly handsome and her noble rescuer she knew in that moment he would forever hold captive her heart as he then held her life in his protective arms Yet she was a nameless beauty haunted by wisps of visions from the past How could she ever hope he would return the passionate devotional love she secreted for him when her very existence was a riddle
