The background of the book cover is a vibrant orange. On the left, a large, dark, stylized tree trunk and its branches are visible. On the right, a black silhouette of a woman in a long dress is shown in a dynamic pose, with one arm raised and pointing towards the top right. The overall style is graphic and artistic.

## **A Random Figurine Me And My Three Mothers:**

A Random Figurine Susannah D. McCallum, 2008-05-02 I've written this book for two reasons first because my story is different and I thought it would be of interest to my readers and second as a therapeutic tool for myself recollecting memories of my past and the significance each event has had for me in coming to terms with my story The book's first three chapters describes my relationship with the three women who represented a mother figure to me and my unending need to find my birth mother and my roots As I eventually find her my true sentiments for her are described as well as those for my two also found brothers I describe one of my most intense sentiments how I've always had an urge for my homeland unable ever to adjust to a different territory as well as the memories from my early years as I visit my country again and how they impact my inner self I bring to light the unfairness to the adopted in not allowing them the right to know who they are a primary need for most which is a basic human right and how the truth even when painful should always prevail I talk about four primary feelings that have been my constant companions and try to understand them Later traveling through different countries a month after finding my roots enabled me to look at my persona not as a different unique one but as just part of all humanity and allowed me to be more understanding as to my place with its respect In the end more hidden feelings arise and I am able to accept them as such It has been therapeutic as well as more self assuring to my nature as the dark passages in my life and the endurance I developed resolves most of my internal conflicts I timidly engaged into writing and without prior expertise have written each word as it flew directly from my heart and although I do accept my imperfections I am grateful for this experience a sanctuary for me a tool and an inspiration for those with similar challenges and an informant for those without them Susannah D McCallum
