**A Revision of the Treaty** John Maynard Keynes,1971     **A Revision of the Treaty** John Maynard Keynes,2008-06 OF INTEREST TO readers of 20th century history students of economics I do not admit error in having based The Economic Consequences of the Peace on a literal interpretation of the Treaty of Versailles or in having examined the results of actually carrying it out I argued that much of it was impossible but I do not agree with many critics who held that for this very reason it was also harmless from The State of Opinion Almost immediately after its ratification it became clear that the Treaty of Versailles ending World War I was at least partly unworkable and in this 1922 work famed economist John Maynard Keynes dissected the problems he saw as the Treaty was being put into practice In what he called a sequel to his 1919 book The Economic Consequences of the Peace Keynes discusses the debate over German reparations the legality of occupying Germany east of the Rhine the division of reparations among the allies how to best handle inter ally debt and more British economist JOHN MAYNARD KEYNES 1883 1946 also wrote The End of Laissez Faire 1926 The Means to Prosperity 1933 and General Theory of Employment Interest and Money 1936 ALSO FROM COSIMO Keynes s A Treatise on Probability and Indian Currency and Finance
