Philosophical and Sociological Reflections on Labour Law in Times of Crisis Eduardo von Adamovich, Marcel Zernikow, 2022-05-13 Starting from the assertion that crisis is part of the essence of labour law this volume brings together researchers in the field who accepted the challenge to critically reflect on this branch of the discipline As the COVID 19 pandemic has had a global impact labour law across the world must come to terms with a new reality In this context it would be prudent to adapt to new circumstances by taking known paths To this end this book reflects on what effectively constitutes labour law considering questions which are not usual within labour law Insights from philosophical sociological and even economic standpoints are mobilised to reconcile the past with the future of labour law

Succession Law, Practice and Society in Europe across the Centuries Maria Gigliola di Renzo Villata, 2018-03-19 This book presents a broad overview of succession law encompassing aspects of family law testamentary law and legal history It examines society and legal practice in Europe from the Middle Ages to the present from both a legal and a sociological perspective The contributing authors investigate various aspects of succession law that have not yet been thoroughly examined by legal historians and in doing so they not only add to our knowledge of past succession law but also provide a valuable key to interpreting and understanding current European succession law Readers can explore such issues as the importance of a father's permission to marry in relation to disinheritance as well as inheritance transactions and private dynastic and cross border successions Further themes addressed by the expert contributors include women's
