Anne Frank In Her Own Words Eyewitness To History:

Anne Frank in Her Own Words Caroline Kennon, 2014 Looks at the life and importance of Anne Frank supplemented with excerpts from her diary to give direct examples of her thoughts **Abigail Adams in Her Own Words** Blair Belton, 1900-01-01 Abigail Adams holds an honored place in American history not only for being a First Lady of the United States but for the invaluable letters she left behind Through her writings people today can experience what it was like to be a woman a mother and an American in the early days of the United States This fascinating look at Abigail s life uses primary sources to expose the wit intelligence and opinions of this early advocate for women s rights Sidebars fact boxes and a timeline further provide evidence that this founding mother is a must know *Lewis and Clark in Their Own Words* Janey Levy, 2014 Draws from primary source materials to provide insight into the journey of Meriwether Lewis and William Clark from preparing for the expedition to crossing the Great Divide to their trip home **Jewish Heroes, Jewish Values** Barry L. Schwartz, 1996 Presents biographies of famous Jewish men and women who have shown a commitment to upholding Jewish values Includes activities for performing mitzvot **Ellen Rothenberg** Ellen Rothenberg, 1994 *Bowker's Complete Video Directory, 1998* ,1998 **The Works of William Makepeace Thackeray: The history of Henry Esmond, esq., a colonel in the service of Her Majesty Queen Anne, written by himself** William Makepeace Thackeray, 1904 *The History of Henry Esmond, Esq* William Makepeace Thackeray, 1883 *Between Hope and Despair* Roger I. Simon, Sharon Rosenberg, Claudia Eppert, 2000 At the end of a century of unfathomable suffering societies are facing anew the question of how events that shock resist assimilation and evoke contradictory and complex responses should be remembered *Between Hope and Despair* specifically examines the pedagogical problem of how remembrance is to proceed when what is to be remembered is underscored by a logic difficult to comprehend and subversive of the humane character of existence This pedagogical attention to practices of remembrance reflects the growing cognizance that hope for a just and compassionate future lies in the sustained if troubled working through of these issues *Children's Literature in the Elementary School* Charlotte S. Huck, 1997 **America, History and Life** ,1994 Article abstracts and citations of reviews and dissertations covering the United States and Canada **Remembering the Past, Educating for the Present and the Future** Samuel Totten, 2002-10-30 Annotation This collection of essays about Holocaust education is by educators involved primarily at the secondary level of schooling grades 7 to 12 Contributors relate the genesis of their interest in the Holocaust and the evolution of their educative efforts **The History of Henry Esmond, Esq., a Colonel in the Service of Her Majesty Queen Anne** William Makepeace Thackeray, 1871 *Chicago Tribune Index* ,2003 **The talisman;** **Woodstock: The fair maid of Perth; Anne of Geierstein; Count Robert of Paris; The surgeon's daughter; Castle Dangerous** Walter Scott, 1877 *Potter's American Monthly* ,1875 **The Lutheran Witness** ,1890 *Literature for Today's Young Adults* Kenneth L. Donelson, Alleen Pace Nilsen, 1997 With 140 fewer pages than the fourth edition the fifth

obviously has been tightened it s partly in the format with narrower margins and less white space Otherwise some text has been rephrased or rearranged and topics for example adolescent psychology given shorter shrift Coverage of Holocaust literature has been expanded and discussion of problem novels improved Sports books have been dumped in with humor movies and other stuff including humorous poetry which it seems the authors feel is the only kind teens read for pleasure other types of poetry as well as short stories and drama are relegated to the English classroom coverage of which has been enlarged The chapter on sf and fantasy is good on historical aspects but weak on today s writers A short list of Internet listserves and Web sites has been incorporated as part of using YA literature in the library Once again updating of appendixes seems spotty Nevertheless this is useful as a resource for youth librarians and a tool for teaching YA literature
