Anne Orthwoods Bastard Sex And Law In Early Virginia:

Anne Orthwood's Bastard John Ruston Pagan, 2003 In 1663 an indentured servant Anne Orthwood was impregnated in a tavern in Northampton County Virginia an illegitimate pregnancy that sparked four related cases that came before the Northampton magistrates between 1664 and 1686 These cases illuminate the ways in which the Virginia colonists modified English common law traditions and began to create their own and they also shed light on cultural and economic values in this community Through these cases the very reasons legal systems are created are revealed namely the maintenance of social order the protection of property interests the protection of personal reputation and personal liberty
