## **Another Happy Ending:**

**Death and Other Happy Endings** Melanie Cantor, 2020-07-14 There's nothing like being told that in three months you'll be dead to make you think about what you really want in life. A novel about self-discovery with plenty of surprises and a snappy Bridget Jones gets a terminal diagnosis vibe. Booklist Jennifer Cole has just been told that she has a terminal blood disorder and has just three months to live. Ninety days to say goodbye to friends and family and to put her affairs in order. Ninety days to come to terms with a diagnosis that is unfair, unexpected and completely unpronounceable. Focusing on the positives she won't have to go on in a world without Bowie or Maya Angelou; she won't get Alzheimer's or Parkinson's like her parents or have teeth that flop out at the mere mention of the word apple. Jennifer realizes she only has one real regret: the relationships she's lost. Rather than running off to complete a frantic bucket list, Jennifer chooses to stay put and write a letter to the three most significant people in her life to say the things she wished she'd said before but never dared: her overbearing, selfish sister; her jelly-spined cheating ex-husband; and her charming, unreliable ex-boyfriend. And finally tell them the truth. At first Jennifer feels cleansed by her catharsis. Liberated even. Her ex-boyfriend rushes to her side and she even starts to build bridges with her sister Isabelle, who is once again confirmed that Jennifer's condition isn't genetic. But once you start telling the truth, it's hard to stop. And as Jennifer soon discovers, the truth isn't always as straightforward as it seems and death has a way of surprising you.

*Not Another Happy Ending* David Solomons, 2014 When a struggling publisher discovers his only successful author is blocked, he knows he has to unblock her or he's finished. With her newfound success, she's become too damn happy and she can't write when she's happy. The only trouble is the worse he makes her feel, the more he realizes he is in love with her.

**The Science Fiction Dimensions of Salman Rushdie** Yael Maurer, 2014-01-30 This book focuses on the science-fictional dimensions of Rushdie's later novels: *Fury*, *The Ground Beneath Her Feet*, *Shalimar the Clown*, *Luka and the Fire of Life* and Rushdie's first unpublished novel, *The Antagonist*, to show how the author's oeuvre moves towards a more consistent engagement with science fiction as a generic form and an ideological investment. The author demonstrates how Rushdie recreates personal and national histories in a science-fictional setting and mode and contends that the failure of his first novel, *Grimus*, may have led Rushdie away from SF for some time, although he returns to it with a much firmer conviction and a much stronger voice in his later novels, showing his commitment to this imaginative form which he describes in *Fury* as providing the best popular vehicle ever devised for the novel of ideas and metaphysics. The science-fictional mode is the most appropriate vehicle for expressing these thematic and ideological concerns and the organizing feature of Rushdie's oeuvre. The author rereads the later novels in light of recent critical engagement with SF as a vehicle for reimagining national histories and as a potentially subversive tool for social and political engagement in a fictional realm.

**The Five Lives of Our Cat Zook** Joanne Rocklin, 2012-04-01 In this warmhearted middle-grade novel, Oona and her brother Fred love their cat, Zook (short for Zucchini), but Zook is sick. As they conspire to break him out of the vet's office,

convinced he can only get better at home with them Oona tells Fred the story of Zook's previous lives ranging in style from fairy tale to grand epic to slice of life Each of Zook's lives has echoes in Oona's own family life which is going through a transition she's not yet ready to face Her father died two years ago and her mother has started a relationship with a man named Dylan whom Oona secretly calls the villain The truth about Dylan and about Zook's medical condition drives the drama in this loving family story Praise for The Five Lives of Our Cat Zook STARRED REVIEW Rocklin's characters are fully developed readers will be invested Set in Oakland readers are also treated to a refreshingly authentic child's view of a diverse city The only imperfection in this novel is that it ends Booklist starred review Oona's character is a combination of Harriet the Spy in curiosity and Anastasia in spunk Another emotionally satisfying outing from Rocklin hanky recommended Kirkus Reviews Just as she did in One Day and One Amazing Morning on Orange Street Rocklin intertwines her characters so smartly that the many coincidences and serendipitous events feel organic to the story The story's ending bittersweet inevitable and true offers much needed catharsis for the family and for anyone who has ever loved a pet The Horn Book This heartwarming family tale is filled with resilient and thoughtful characters who are willing to learn from their mistakes Readers who enjoy the novels of Jeanne Birdsall and Leslie Crunch will appreciate this charming story School Library Journal There is a strong sense of place in this loving story with the ending sure to generate some tears This would make a strong library lesson extension activity Library Media Connection Awards SCBWI's Golden Kite Award for Fiction 2012 Dorothy Canfield Fisher Book Award Rebecca Caudill Young Readers Book Award *Kicking Cancer to the Curb!* Carol A Miele, 2015-03-28 *Kicking Cancer to the Curb* by Carol A Miele is a story of determination indignation humor resilience and an overwhelming desire to live a full and meaningful life despite having a terminal illness She has been in stage 4 since 2010 when she was diagnosed with breast cancer that had metastasized to bone Sidestepping her current illness to share poignant stories from her youth she conveys a positive energy force that propels her forward through her terminal diagnosis This book will help the reader to develop a more critical view of the negative forces around them while increasing their appreciation of the positive ones that influence their lives directly whether that impact is in a spiritual emotional mental or physical sphere
