*All the Time in the World* John Gierach, 2024-03-19 Discover the answer to life's most pressing problems through the joy of fly fishing from master philosopher John Gierach the dean of fly fishing Kirkus Reviews who is arguably the best fishing writer working *The Wall Street Journal* Once again John Gierach tells the world why the pastime of fly fishing makes so much sense except when it doesn't In this shrewd perceptive and wryly funny *The Wall Street Journal* book he recalls the joys of landing that trout he's been watching for the last hour and then losing an even fatter one a little later Joy and frustration mix in Gierach's latest appreciation of the fly fishing life as he takes
