Farrell, 2020-04-19 Pursuing his

investigations of high financial fraud international banking hidden systems of finance black budgets and breakaway civilizations author and researcher Joseph P Farrell investigates the theory that there were not two levels to the 9 11 event but three He says that the twin towers were downed by the force of an exotic energy weapon one similar to the Tesla energy weapon suggested by Dr Judy Wood and ties together the tangled web of missing money secret technology and involvement of portions of the Saudi royal family Farrell unravels the many layers behind the 9 11 attack layers that include the Deutschebank the Bush family the German industrialist Carl Duisberg Saudi Arabian princes and the energy weapons developed by Nikola Tesla before WWII It is Farrell at his best uncovering the massive financial fraud special operations and hidden technology of the breakaway civilization

The 2001 Anthrax Deception Graeme MacQueen, 2015-09-19 The 2001 anthrax letter attacks in the United States killed five people and wounded dozens They were widely blamed on extremist Muslims and their backers and used to support the invasions of Afghanistan and Iraq They were also used to justify and hasten the passage of the USA PATRIOT Act which was being presented to Congress just as the first anthrax victim grew ill In October 2001 one of the hypotheses that gained ground was that of the Double Perpetrator the claim that al Qaeda was carrying out the attacks with the support of Iraq Much evidence was put forth to support this Double Perpetrator hypothesis but independent scientists soon discovered that the anthrax spores came from a domestic lab in the US serving the military and intelligence communities not from al Qaeda or Iraq The FBI then quickly claimed that an individual was responsible for the attacks and began noisily looking for this lone wolf In 2008 the Bureau named Dr Bruce Ivins of the US Army Medical Institute of Infectious Disease as the anthrax killer Although the FBI remains committed to the Ivins hypothesis the case has been disintegrating for the last three years

Currently it is justly held in contempt not merely by scientists who worked with Ivins but by many journalists as well as several US senators But this raises the question if Ivins did not commit this crime who did This book presents evidence to support the following points a The anthrax attacks were carried out by a group of perpetrators not by a lone wolf The attacks were therefore the result of a conspiracy by definition a plan by two or more people made in secret and resulting in an immoral or illegal act b The group that carried out this crime consisted in whole or in part of insiders deep within the US state apparatus c These insiders were the same people who planned the 9 11 attacks d The anthrax attacks were meant to facilitate a seizure of power by the executive branch of government through intimidation of Congress and US civil society They were also designed to achieve public acquiescence to and support for the redefinition of US foreign policy replacing the Cold War with a new and aggressive global conflict framework the Global War on Terror **Truthers** Geoffrey Girard,2017-08-01 Katie Wallace has never given much thought to 9 11 She was only a year old when terrorists struck American soil But now her dad has landed in a mental institution after claiming to know what really happened He insists the attacks were part of a government conspiracy And he claims that Katie is living proof the lone survivor of a massive cover up Hoping to free her dad Katie sets out to investigate his bizarre claims Soon she is drawn into the strange and secretive world of 9 11 conspiracy theorists known as the Truthers What is fact and what is fiction Katie no longer knows what to believe
